

# Prestigious National Scholarships

(Please see scholarship websites for current details)

## Undergraduate Funding

### [Barry Goldwater Scholarship](#)

- UNCP Representative: Teagan Decker: [teagan.decker@uncp.edu](mailto:teagan.decker@uncp.edu)
- Application due in January
- Must be a sophomore or junior intending to pursue a research career in natural science, mathematics, or engineering.
- Up to to \$7,500 in junior and senior year.

### [Boren Scholarships](#)

- UNCP Representative: Alexander Brandt: [alexander.brandt@uncp.edu](mailto:alexander.brandt@uncp.edu)
- Application due in February
- GPA requirement: 3.50.
- Provides scholarships for U.S. students to study languages less commonly taught in the US during a study abroad. In exchange for funding Boren Scholars commit to working in the federal government for a year post graduation.
- \$8,000 summer program, \$10,000 semester, \$20,000 6-12 months

### [Harry S. Truman Scholarships](#)

- UNCP Representative: Teagan Decker: [teagan.decker@uncp.edu](mailto:teagan.decker@uncp.edu)
- Application due in February
- GPA requirement: 3.80.
- Must be a junior to apply.
- Provides scholarships to undergraduate American citizens who want to pursue a graduate education and professional development, and are committed to public service leadership.
- Up to \$15,000 for graduate school funds and \$2,000 to finish undergraduate studies.

### [Native American Political Leadership Program](#)

- Application due in April (see website for details).
- Full scholarship program designed to give Native American undergraduate and graduate students the chance to participate in the Semester in Washington Politics program.
- Tuition and fees for the two core classes, plus an optional third course (up to 9 credit hours total), housing in a GW dormitory, a stipend for books and living expenses, paid in two installments, airfare to and from Washington, D.C. (one round-trip ticket)

### [Udall Scholarship](#)

- UNCP Representative: Ashley Oxendine: [ashley.oxendine@uncp.edu](mailto:ashley.oxendine@uncp.edu)

- Application due in March.
- Awards scholarships to undergraduate sophomores and juniors who demonstrate outstanding achievements based on leadership, public service, and commitment related to the study of American Indian nations or the environment.
- Up to \$7,000.

## Graduate Funding

### Fulbright Student Scholarships

- UNCP Fulbright Liaison: Mark Milewicz: [mark.milewicz@uncp.edu](mailto:mark.milewicz@uncp.edu)
- Application due in October.
- Study/Research Awards: Offered for projects in all Academic and Creative & Performing Arts fields. Applicants can propose their own independent study/research projects or, in some countries, can propose to enroll in a graduate program. Arts applicants, please proceed to the Creative & Performing Arts Fields of Study section for information about available fields and supplementary materials requirements.
- English Teaching Assistant (ETA) Awards: Programs that place grantees in schools overseas to supplement local English language instruction and to provide a native speaker presence in the classrooms. Please proceed to the English Teaching Assistant Award section to see the countries offering a grant.
- Fulbright-National Geographic Digital Storytelling Fellowships: Offered for proposals to undertake an in-depth examination of a globally relevant issue or issues in one country, or in multiple countries, comparing and contrasting how that issue is experienced from one country to another. Please proceed to the Fulbright-National Geographic Digital Storytelling Fellowship section for additional program details.
- Grant covers cost for round-trip transportation, living, and accident and sickness health benefits. In some countries grants may also cover book and research allowances, mid-term enrichment activities, full/partial tuition, and language study programs.

### Gates Cambridge Scholarships

- Application due in October.
- Scholars attend Cambridge University to pursue a graduate degree in their selected field of study. Most scholars are STEM students but the award does not restrict scholars that are not in the STEM fields.
- The scholarship covers the cost of travel (round trip), full tuition, and other funds to cover discretionary components. Valued at about \$84,000 for three years of study.

### Marshall Scholarship

- Application due in October.
- GPA requirement: 3.70.

- Scholarships are for young American students with high abilities to study on the graduate level in the United Kingdom and any UK institution in any field they desire. Most scholars study for two years.
- Around 28,000 per year of study.

### Rhodes Scholarships

- UNCP Representative: Teagan Decker: [teagan.decker@uncp.edu](mailto:teagan.decker@uncp.edu)
- Application due in October.
- GPA requirement: 3.80.
- Provides scholarships to American citizens for their outstanding achievements, character, commitment to others and to the common good, and the potential for leadership in their chosen field of study. Provides full financial support for scholars to pursue a degree(s) at the University of Oxford, UK.
- Covers University and College fees, and cost of living for two or three years of study at the University of Oxford. The total is about £13,658 (\$17,862.27).

### Schwarzman Scholars

- Applications due between April and September.
- Students spend a year immersed in international community while they pursue a Masters in Global Affairs concentration in either public policy, economics and business or international studies.
- Scholarship covers: tuition fees, room and board, travel to and from Beijing, study tour in country, books and supplies, laptop and smartphone, health insurance, and personal stipend.
