Founded in 1887 to educate American Indians, the University now serves a student body reflective of the rich cultural diversity of American society. As it stimulates interaction within and among its cultural groups, the University enables its students to become informed, principled, and tolerant citizens with a global perspective.

In support of this mission, The University of North Carolina at Pembroke is committed: (1.) to promote excellence in teaching and learning as a primary focus in an environment of free inquiry and dynamic exchange between students and faculty; (2.) to ensure quality academic programs and learning opportunities for the liberal arts, in preparation for diverse professions and for service to the region; (3.) to encourage and support meaningful faculty research and development; (4.) to recruit and retain students capable of achieving academic and professional success and of enriching the intellectual, cultural, and social community of the University; (5.) to provide and support extra-curricular and student life activities and facilities designed to enrich the educational experience of residential and commuter students, enhance the image of the University, and serve the region; (6.) to provide ways by which the life of the region can benefit the educational experience of the University and be enhanced by the University; (7.) to instill in University of North Carolina at Pembroke students a continuing appreciation for diverse cultures and an active concern for the well-being of others; (8.) to promote academic and scholarly excellence, the University's rich heritage, and the enhancement of the immediate and larger region.

HISTORY OF THE UNIVERSITY OF NORTH CAROLINA AT PEMBROKE

On March 7, 1887, the General Assembly of North Carolina enacted legislation sponsored by Representative Hamilton McMillan of Robeson County creating the Croatan Normal School. The law, which was in response to a petition from the Indian people of the area, established a Board of Trustees and appropriated five hundred dollars to be used only for salaries. A building was constructed by the local people at a site about one mile west of the present location, and the school opened with fifteen students and one teacher in the fall of 1887. For many years the instruction was at the elementary and secondary level, and the first diploma was awarded in 1905.

The school was moved to its present location in Pembroke, the center of the Indian community, in 1909. The General Assembly changed the name of the institution in 1911 to the Indian Normal

School of Robeson County, and again in 1913 to the Cherokee Indian Normal School of Robeson County. In 1926 the Board of Trustees added a two-year normal program beyond high school and phased out elementary instruction. The first ten diplomas were awarded in 1928, when the state accredited the school as a “standard normal school.”

Additional college classes were offered beginning in 1931, and in 1939 a fourth year was added with the first degrees conferred in 1940. In recognition of its new status, the General Assembly changed the name of the school in 1941 to Pembroke State College for Indians. Until 1953 it was the only state-supported four-year college for Indians in the nation. The scope of the institution was widened in 1942 when non-teaching baccalaureate degrees were added, and in 1945 when enrollment, previously limited to the Indians of Robeson County, was opened to people from all federally-recognized Indian groups. A few years later, in 1949, the General Assembly shortened the name to Pembroke State College.

The Board of Trustees approved the admission of White students up to forty percent of the total enrollment in 1953 and, following the Supreme Court’s school desegregation decision, opened the College to all qualified applicants without regard to race in 1954. Growth of over five hundred percent followed during the next eight years. In 1969 the General Assembly changed the name again to Pembroke State University and made the institution a regional university. Such universities were authorized “to provide undergraduate and graduate instruction in liberal arts, fine arts, and science, and in the learned professions, including teaching” and to “provide other graduate and undergraduate programs of instruction as are deemed necessary to meet the needs of their constituencies and of the State.”

Three years later, in 1972, the General Assembly established the sixteen-campus University of North Carolina with Pembroke State University as one of the constituent institutions. The new structure was under the control of the Board of Governors, which was to coordinate the system of higher education, improve its quality, and encourage economical use of the state’s resources. The Board of Governors approved the implementation of master’s programs in professional education by Pembroke State University in 1978, as well as several new undergraduate programs. Since that time additional baccalaureate programs have been added, including nursing, and master’s level programs have been implemented in Business Administration, Public Administration, School Counseling, and Service Agency Counseling.

The University of North Carolina at Pembroke celebrated its centennial in 1987. On July 1, 1996, Pembroke State University officially became The University of North Carolina at Pembroke.

In 2000, a major in applied physics and four new master of arts programs were added. An office of International Programs and a University Honors College were also instituted to enhance scholarship. Since then, the University has added new baccalaureate programs, including Spanish and environmental science, as well as new graduate degrees, including the Master of School Administration (M.S.A.) and the Master of Arts in Teaching (M.A.T.). Many classes at the undergraduate and graduate levels are available through distance learning, including the Internet.

ACADEMIC SERVICES AND FACILITIES

Summer School

Through the Office of Academic Affairs in Lumbee Hall, the University offers a three-week MayMester, two five-week terms, and two three-week intra-sessions. Special workshops and institutes enrich the regular summer program, and visiting specialists augment the regular faculty when the need arises.

Through many curricular and extra-curricular activities, the summer session provides special opportunities for teachers and others who are free for summer study. Many courses and workshops are open to individuals not seeking a university degree but interested in gaining personal or professional knowledge.

A student entering the University of North Carolina at Pembroke for the first time as a beginning freshman, a transfer student, or a student who is returning to the University after an absence of one semester or more must meet all requirements for admission.

Transient students—students who are regularly enrolled at another institution of higher education and who wish to take courses at UNC Pembroke during the Summer Session for transfer to their home institution—must submit a form available from the Registrar's Office. This form must show that they are in good standing at their home institution and have their Dean's or Registrar's permission to enroll at UNCP. Admission to the Summer Session does not constitute admission to the University.

In-service teachers who wish to attend the Summer Session for license renewal or other purposes must submit an application. The application form and Summer Session Catalog may be obtained from the Academic Affairs Office.

Continuing Education

Evening Classes: Through the Office of Continuing Education and Distance Education in the D.F. Lowry Building, UNCP offers a number of evening classes for individuals who wish to earn degrees as full-time or part-time students.* Degree-seeking students should contact the department chair for assistance in working out plans to fulfill degree requirements.

**All requirements for the B.S. degree in Business Administration, with a track in Management, may be completed while attending only evening classes. (See School of Business.)*

Students admitted for degree-credit course work in the evening must meet minimum University requirements for admission. Applicants meeting minimum University requirements will be admitted as special, part-time, or regular students (see Admissions).

Extension Courses: Extension instruction leads to earned credit toward a degree offered at UNCP but is offered outside the regular session.

Distance Education Programs*: UNCP offers one graduate and four undergraduate degree programs at Richmond Community College in Hamlet, N.C.; two graduate and two undergraduate programs at Sandhills Community College in Pinehurst, N.C.; and one undergraduate program at Fayetteville Technical Community College in Fayetteville, N.C. All formal education requirements, including residence requirements, may be fulfilled at each campus. Internet-based programs include the B. S. in Business Administration with a concentration in Management for graduates of accredited two-year institutions or those with 60 hours of undergraduate credit. The Masters in Public Administration (MPA) is also available in an on-line format. Both programs can be completed entirely through the Internet under the auspices of the respective faculties. Contact the department chairs for current information about these programs.

Distance Education Courses*: Distance Education Courses lead to earned credit at the university. Courses are offered in a number of off-campus locations, including Sandhills Community College in Pinehurst, Richmond Community College in Hamlet, Fayetteville Technical Community College in Fayetteville, Robeson Community College in Lumberton, South Piedmont Community College in Monroe, Southeastern Community College in Whiteville, and Bladen Community Col-

lege in Elizabethtown. A number of courses in the School of Education, the School of Business, and the College of Arts and Sciences are also available via the Internet. Contact the respective department chairs or call the office of Continuing Education and Distance Education (910-521-6352) for further information.

Currently containing approximately 300,000 volumes and 1,500 periodical subscriptions, the Sampson-Livermore Library serves as a depository for selected state and federal documents and houses local history materials, including the Charlie Rose Archival Collection. Library patrons are offered services which include reference and information consultation and assistance, assistance with computerized database searching, interlibrary loan, orientation tours, and library use instruction.

Resources available to patrons include print materials for research and recreational reading; print and on-line databases; a computerized catalog; Internet access; microform and photo copiers; typing and study facilities; a computer laboratory; and multimedia equipment and materials.

The resources are available to patrons 91 hours a week during academic sessions and on a reduced schedule during summer, holiday, and between-session time periods. For information concerning services and hours, please phone the circulation desk at (910) 521-6516.

Specialized libraries, featuring resources appropriate to particular programs and departments, are found in several locations. In the Educational Center, the Department of Education maintains a Curriculum Laboratory and a Test Review Resource Center. In Dial Humanities Building, the Department of English, Theatre, and Languages maintains a resource center of books, journals, and media resources for English Education and foreign languages. Moore Hall houses a Music Library featuring recordings, scores, and listening facilities.

University Computing and Information Services

The Office of University Computing and Information Services provides the technical resources necessary to meet the University's mission of teaching, research, and service. The office operates a campus-wide network with a 2Gb fiber backbone and a 1 Gb connection to the North Carolina Research and Education Network (NC-REN). NC-REN provides access to the Internet and Internet2. All buildings have LAN access and dedicated 10 or 100Mb desktop connections. ResNet connections are available in each dorm room, and CommuterNet is available in selected areas of the Chavis University Center and the Sampson-Livermore Library. The office also supports the campus voice network with dual Cisco MCS 7835 call managers and an Octel 250 voice mail system.

To facilitate campus computing, UCIS operates a Sun e450 Enterprise server, four Sun e250 Enterprise servers, a Compaq Alphaserver 2100, and a Compaq Alphaserver 2000. Administrative computing applications are supported by mirrored Compaq Alphaserver DS20s, a Compaq Alphaserver 800 and a cluster of Sun 280s. Additional resources include Novell Netware 5.1 file and print servers as well as several Windows 2000 and Linux application servers.

The office provides traditional and computer-based training for faculty, staff, and students. Individual support is available to faculty or staff, and faculty may request workshops tailored to the needs of specific classes. University Computing provides technical support for over 35 microcomputer labs and directly supervises the Sampson-Livermore Library lab. Help Desk assistance is available during normal business hours at (910) 521-6260 or helpdesk@uncp.edu.

UCIS also manages the Interactive Video Facility, which provides MPEG2 and H.323 video-conferencing and well as C-Band and Ku-Band satellite uplink/downlink capabilities. These allow UNCP to participate in live, two-way video classes and conferences with other sites connected to NC-REN and the North Carolina Information Highway (NCIH).

Academic Computing Resources

UNC Pembroke recognizes the importance of computer skills. Although no specific computer courses are required, students have many opportunities to gain computer proficiency. Freshman Orientation classes include sections on computing. In freshman composition, most students learn how to use a word processor and use it for writing papers. All Teacher Education programs require the development of basic computer skills and students majoring in Business Administration are required to take BUS 109, Business Uses of the Computer. Most departments expect students to use computer software in some courses. In addition, UCIS offers free training for students and faculty throughout the year.

UNC Pembroke provides its students with a wealth of computer resources. Each classroom building houses one or more microcomputer laboratories that are available during normal business hours. In addition, the D. F. Lowry Building laboratory is available 24 hours a day; the Sampson-Livermore Library laboratory is available for evening and weekend use and the Pine Hall lab is available to residents of that dorm at any time. Most campus lab computers run Windows 2000 and provide a variety of software including Microsoft Office, Netscape Navigator, SAS, CRT, AbsoluteFTP, UltimateZIP and McAfee Antivirus. Some labs also offer Microsoft Visual Studio, WordPerfect, PageMaker, SPSS, DreamWeaver MX and Photoshop LE. Specialized labs include the Foreign Language Lab, the Cartography Lab and the Education Technology Center in the School of Education. The Digital Art Studio houses Macintosh G4s running OS X, with Adobe Photoshop, Illustrator, InDesign and Acrobat. The Media Integration Lab operates Macintosh G4s running OS X with Photoshop, DVD Studio Pro and Final Cut Pro.

All permanent faculty members have a Pentium 4 or Macintosh G4 microcomputer with access to the campus LAN, the Internet and Internet2 from their office. Each classroom has a LAN connection and many have computers and digital projectors. Blackboard is used to support class web sites. UCIS offers laptops and digital projectors for faculty checkout for short periods. A Compaq 2100 and a Sun e250 provide minicomputer support for academics.

Faculty have access to email, web hosting, network file storage, and course web sites in Blackboard. Students have access to email and network file storage and may access the campus LAN from any computer lab or their dorm room. Student accounts can be created online at <http://www.uncp.edu/ucis/accounts>. Online access to grades and registration is available at <http://braveweb.uncp.edu>.

Media Center

The Media Center, located in Jacobs Hall, provides media services to academic departments, the testing center, the library, and other University units. In addition, the center provides services to the community and to students, as directed by the Associate Vice Chancellor for Academic Affairs.

University Writing Center

The University Writing Center, Dial Humanities Building 131, assists UNCP students at any stage in the writing process, from conception and organization to revision and publication. The Writing Center staff works with students on any writing task, helping students focus, select, organize, and develop ideas in early drafts of writing and helping them review, improve, and strengthen later drafts before submission. Writing Center users have access to networked computers and printers and an extensive collection of writing reference materials. The Writing Center also provides assistance in computer-assisted writing and research, in cooperation with faculty and other campus support areas.

The University Writing Center staff includes a full-time director and a group of upperclassmen

and graduate students from across the disciplines, chosen by the director, who have extensive training in the writing process, tutoring, and their Writing Center responsibilities. The director of the Writing Center communicates frequently with faculty to determine both the general needs of classes and the particular needs of individual students who use the center's services.

The University Writing Center opened at UNCP in May 1994 as a Title III-funded student support program and was granted permanent institutional support by the Office of Academic Affairs and the Department of English, Theatre, and Languages in August 1998.

Office of Advisement and Retention

The Office of Advisement and Retention, located in the D.F. Lowry Building, is designed to provide a support system for students through numerous programs and activities: academic advisement, career/major counseling, major declaration, and Early Alert consultation. Through the Early Alert Program, a professor or staff member may recommend that a student seek help for a problem that threatens the student's academic success. Continued absence from class is usually the first and most significant indication that a student should be referred. Academic advisors from the office work with the student to determine appropriate help and draws on existing programs and offices to find a workable solution. In addition, FRS 100 (Freshman Seminar) is coordinated through this office.

Office of International Programs

The Office of International Programs, located in the West Office Building, is established to promote the internationalization of the university community. This office, working with other units of the university, attracts high-quality international graduate and undergraduate students to the campus. It also promotes student study-abroad and exchange programs with universities throughout the world. In addition, this office handles faculty teaching and research exchange programs and other related international endeavors.

The Office of International Programs, working with the University Attorney, is also responsible for international contracts; in the past few years, many new contracts have been signed between UNCP and other universities throughout the world. This office, working with the Office of Outreach, the School of Graduate Studies, and various schools and academic departments, offers degree and non-degree programs abroad. Moreover, this office, working with the Office of Sponsored Research and Programs, coordinates and applies for federal and private international grants; numerous international grants have been awarded recently.

Center for Adult Learners

The Center for Adult Learners' goal is to help meet the needs of the adult learner who attends UNCP by providing resource and referral information about campus and community resources. The center is designed to be a comprehensive resource and referral area for nontraditional students. It offers extended evening hours, a special freshman seminar class, readiness workshops, academic advising, orientation programs, and a Peer Mentoring Program. The Center for Adult Learners is located in the D.F. Lowry Building.

TRIO Programs

TRIO Programs at UNCP are designed to help meet the academic, cultural, and financial needs of participants in order that they may achieve a high success rate while in school. The two projects included are Upward Bound and Student Support Services.

Upward Bound is funded to serve seventy-five Robeson and Hoke County high school students who have the academic potential to become first-generation college students but lack certain skills or motivation to demonstrate that talent. The program consists of an academic and a summer phase. During the academic phase, students are encouraged to achieve their educational potential with the help of weekly tutoring sessions in their high school courses. Assistance is also provided for seniors in completing college and financial-aid applications. During the summer phase, participants live on

campus for six weeks and attend a daily schedule of classes in the mornings and afternoons. This summer component familiarizes students with college life, motivating students and developing and enriching their basic skills. Recreational and human development activities are also incorporated into the schedule.

Student Support Services is funded to serve two hundred college students at UNCP. The program offers the following services:

- * instruction in Freshman Seminar
- * tutoring on a one-to-one or a small group basis in all majors offered at the University
- * study skills assistance in developing techniques of note-taking and test-taking
- * assistance in applying for financial aid and scholarship programs
- * guidance in academic, vocational, and personal/social concerns
- * opportunities to participate in cultural activities
- * access to reference and resource materials, which include magazines, paperbacks, and a file on current events.

Disability Support Services

The office of Disability Support Services, located in the D.F. Lowry Building, provides services to students who are protected by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973. The mission of Disability Support Services is to create an accessible community where people are judged on their ability, not their disability. Disability Support Services strives to provide individuals with the tools by which they can better accomplish their educational goals.

Disability Support Services may be reached by calling (910) 521-6695 or by email at dss@uncp.edu. Office hours are Monday through Friday from 8:00am - 5:00pm. Appointments are requested.

Any student requesting services must register with the office, provide documentation of a disability, and agree to follow the policies and procedures of Disability Support Services. An opportunity to register as a student with a disability is provided in the acceptance package from UNCP's Admissions Office. A student may register with Disability Support Services anytime by making an appointment and providing necessary information to the Director. Accommodations for students with disabilities are not retroactive.

Students with disabilities have Assistive Technology available to them in the office of Disability Support Services and in the Sampson-Livermore Library. Students will receive training on software packages from Disability Support Services staff. Students may access these services by registering with the office of Disability Support Services.

North Carolina Health Careers Access Program at UNCP (NC-HCAP)

The North Carolina Health Careers Access Program (NC-HCAP) at The University of North Carolina at Pembroke is one of three centers of the North Carolina Health Careers Access Program (NC-HCAP). This interinstitutional program of the University of North Carolina was established in 1971 to address the serious shortage of health professionals in North Carolina, especially among underrepresented minorities (African American and Native American) and disadvantaged population groups. Interested students should contact the HCAP office at (910) 521-6673 or (910) 521-6493.

The purpose of NC-HCAP is to provide recruitment, counseling, and enrichment services and activities to increase the number of underrepresented minority and disadvantaged persons being trained for and employed in the health professions of medicine, optometry, dentistry, veterinary medicine, osteopathic medicine, pharmacy, podiatry, public health, and allied health fields of study.

The NC-HCAP at The University of North Carolina at Pembroke serves the Southeast region of North Carolina and offers the following services and activities:

- * provides information on over 200 different health careers and on a broad range of health professions programs available in North Carolina and elsewhere;
- * provides counseling for individuals seeking careers in the health professions for which training

is available in the constituent institutions of The University of North Carolina and in the North Carolina technical institutes and community colleges;

WNCP-TV facilities include a three-camera studio, control room, video editing suites, audio production room, and Media Integration Mac Lab.

The Teaching and Learning Center

The Teaching and Learning Center, in Old Main building, fulfills the 1993 mandate of the UNC General Administration designed to stimulate teaching excellence at system schools. The office sponsors faculty development workshops facilitated by both on- and off-campus experts; coordinates the annual Faculty Development Day, which offers faculty development in teaching and related areas; disseminates *TLC@UNCP* each semester to reach the faculty with information designed to help faculty with teaching (including providing information on web sites); distributes faculty development funds to faculty traveling to both discipline-based conferences and teaching workshops; houses a library of resources on teaching-related topics such as syllabus and test construction, student motivation, and teaching technology; oversees a mentoring program for new faculty members; and writes grants to stimulate instructional improvement.

Center for Sponsored Research and Programs

The Center for Sponsored Research and Programs facilitates the University's sponsored research, grant, contract, and cooperative agreement activities. The center's staff provides guidance and assistance to faculty and staff in identifying funding sources, developing grant proposals, and ensuring compliance with federal regulations. Additionally, the center maintains University-wide grant records and reports institutional grant activity to the UNC system. Grant programs include research grants, national research service awards, research career programs, instructional and training projects, undergraduate research opportunities, minority programs in science and math, community outreach programs, and economic development projects, partnerships, and cooperative agreements. The office conducts grant writing workshops on various aspects of proposal development and grant management. Forms for developing proposals may be found at <http://www.uncp.edu/csrp>.

Institutional Research and Planning

The Office of Institutional Research and Planning collects and analyzes data regarding students, faculty and staff, facilities, and institutional programs, services and operations. Reports generated from this data are used internally to support institutional decision making and planning, and are also disseminated to the University of North Carolina's Office of the President and other external agencies. REQUIREMENTS AND OPTIONS FOR A BACCALAUREATE DEGREE

To earn a baccalaureate degree from the University of North Carolina at Pembroke, students must earn between 120 and 128 hours of course credit in a program of study that includes a Freshman Seminar (FRS 100), required of all freshmen during their first 15 hours, a General Education program of 44 hours, and at least one academic major.

UNC Pembroke operates on the traditional two-semester system and offers an extensive summer program designed to permit the academic acceleration of regular university students and to serve the needs of public school teachers. Summer Session is divided into two terms.

REQUIREMENTS FOR A MAJOR

A major is a planned program of study of between 30-50 semester hours of course credit, exclusive of courses applied to satisfy General Education requirements. At least 15 hours of credit must be in courses numbered above 299.

Detailed requirements for majors have been established by each department and can be found in the sections of this catalog describing undergraduate programs of study in the College of Arts and Sciences, the School of Business, the School of Education, and the Nursing Program.

REQUIREMENTS FOR A DOUBLE MAJOR

A student may elect to earn majors in two separate disciplines on the condition that the student meets all requirements for each major. The student who completes requirements for more than one major will receive only one degree, but at the time of initial graduation, the record will indicate both majors.

REQUIREMENTS FOR A SECOND BACCALAUREATE DEGREE

A student with a bachelor's degree may receive a second baccalaureate degree if it is a different degree and a different major by fulfilling the following requirements:

- (1) The student must meet all the requirements for the second degree and major.
- (2) The student must complete a minimum of 30 hours in residence beyond the requirement for the first degree.
- (3) The student must meet with the major department chair to determine an individual education plan. This plan must be forwarded to the Registrar.

A student without a bachelor's degree may receive two different baccalaureate degrees by fulfilling the following requirements:

- (1) The student must meet all the requirements for one degree (primary major).
- (2) The student must complete a minimum of 30 unduplicated hours in a different major and a different degree (secondary major).
- (3) The student must meet with both major department chairs to determine an individual education plan. This plan must be forwarded to the Registrar.

NOTE: Students may be assessed a 25% tuition surcharge once they have attempted 140 degree credit hours.

SPECIAL PROGRAMS AND INTERDISCIPLINARY PROGRAMS

Students earning a baccalaureate degree may take advantage of one or more special programs. Teacher Education and Health Professions Programs are described below. The Evening and Distance Programs are described under the School of Business. Aerospace Studies (Air Force ROTC) and Military Science (Army ROTC) are described under the School of Education. The following programs are described in detail under Special Programs and Interdisciplinary Majors and Minors.

FRESHMAN SEMINAR

Coordinator: Amanda M. Gengler

A university education requires attitudes and skills that go far beyond what students have needed previously. One of its most distinctive features is its direct confrontation with the limitations of human knowledge. In high school we relied on teachers and textbook writers to decide difficult issues; at the University we move into a domain where experts routinely disagree and many issues have no simple answers. Out of this experience, we learn a new respect for skepticism, open-mindedness, and our own creativity.

The University also introduces us to much greater personal freedom and independence. We move away from the security of our families into the world of college life. This change forces us to budget our own time and to sustain our own motivation for achievement.

Finally, the content of a university curriculum is more difficult to comprehend and retain than anything we have faced before. We read technical, specialized material and learn words we have never seen. We are asked to identify key ideas on our own and to review for comprehensive examinations.

All of these considerations suggest that new students should receive special instruction preparing them for the unique challenges of university life. Accordingly, The University of North Carolina at Pembroke has developed a course entitled Freshman Seminar (FRS 100). This course is a regular academic endeavor, with lectures, examinations, and academic credit. Its content is summarized in the description presented below. Students are encouraged to participate actively in this course and to prepare carefully for its examinations. Such effort may prove more valuable than any other activity undertaken during one's first months at the University.

A grade of "C" (2.0) or better must be earned in order to satisfy the Freshman Seminar requirement.

COURSE (FRS)

FRS 100. Freshman Seminar

General introduction to the academic substance, study methods, and special adjustment problems of university life. Conducted by faculty and staff from various departments. Required of all incoming freshmen during their first fifteen credit hours of course work at the University. Fall, Spring. Credit, 1 semester hour.

GENERAL EDUCATION PROGRAM

Graduation from The University of North Carolina at Pembroke is based on successful completion of General Education, which is required for all baccalaureate degrees, and upon successful completion of a specialized program for a major.

OBJECTIVES FOR GENERAL EDUCATION

The University of North Carolina at Pembroke seeks to graduate students with broad vision, who are sensitive to values, who recognize the complexity of social problems, and who will be contributing citizens with an international perspective and an appreciation for achievements of diverse civilizations. In addition to meeting all major program requirements, students awarded baccalaureate degrees by The University of North Carolina at Pembroke are required to complete a 44-hour General Education program. The General Education program has been designed to provide students with an understanding of the fundamental principles and contributions of a variety of disciplines and to foster the ability to analyze and weigh evidence, exercise quantitative and scientific skills, make informed decisions, write and speak clearly, and think critically and creatively. - * demonstrate knowledge of the purpose, methods and principles of scientific inquiry,
- * better understand self and environment through knowledge of scientific principles and concepts, and
- * demonstrate knowledge of the effects of technology upon the physical and human environment.

III. Education for Life

Lifelong Learning—The UNCP graduate should demonstrate an appreciation of the need for the lifelong pursuit of additional skills and knowledge as an educated and informed citizen and demonstrate a sensitivity to the arts as essential to a full life.

Wellness—The UNCP graduate should demonstrate a knowledge and appreciation of the basic principles of wellness.

Cultural Diversity—The UNCP graduate should demonstrate a sensitivity to rights and views of others, an appreciation of various cultures, and an active concern for the well-being of others.

The University Honors College at UNC Pembroke recognizes and promotes the scholarly and personal growth of outstanding students. University Honors College students are provided interdisciplinary educational opportunities that enhance the general curriculum. These opportunities are developed around a learning community of honors students and include selected general education courses, small interdisciplinary seminars, cultural and service programs, and shared residential facilities with other honors students. The University Honors College offers an intellectually stimulating social environment; greater curricular flexibility; more personal contact and scholarly discussion with students and faculty from the various disciplines; and closer interaction with individual faculty members in the College. Each University Honors College student will prepare a senior project under the supervision of a faculty mentor.

University Honors College students are selected on the basis of class rank, high school grades, Scholastic Aptitude Test (SAT) scores or American College Testing (ACT) scores, and extra-curricular and community achievements. Students already enrolled at UNC Pembroke and transfer students are also eligible to apply for admission to the University Honors College. University Honors College students are appointed by the Dean of the University Honors College upon the recommendation of the Honors Council.

To remain in the University Honors College, students are required to maintain a minimum overall quality-point average of 3.0 upon completion of the freshman year, 3.25 upon completion of the sophomore year, and 3.5 upon completion of the junior year. University Honors College students will receive a University Honors College diploma and will be recognized at commencement. To graduate with the University Honors College designation, the student must complete the University Honors College program.

University Honors College students will take several courses together during the freshman year prior to beginning their major course work. These courses include Honors English, Honors Biology, and one interdisciplinary seminar. University Honors College students will be required to take three additional interdisciplinary honors seminars during the freshman and sophomore years. During the junior and senior years, University Honors College students design, complete, and present their University Honors College Thesis/Project. All University Honors College students are advised by the Dean of the University Honors College until they declare a major field of study.

The six HON seminars are usually offered according to the following schedule:

Fall: HON 100, 150, 200; Spring: HON 151, 201, 275

Transfer students and students entering the University Honors College as other than freshmen will also be expected to take the four honors seminars, so long as they can be fitted into the student's program of study. The number of honors courses that transfer students or non-freshmen will be required to take will be determined by the Dean of the University Honors College, after consultation with the student and the Honors Council.

Honors Thesis/Project: All University Honors College students must complete HON 400 (Research Methods and Prospectus [one semester hour]) and HON 450 (Honors Thesis/Project [three semester hours]) prior to graduation. University Honors College students who elect to complete a senior Thesis/Project in their major department may substitute an equivalent departmental course for HON 450. The departmental Thesis/Project must meet the standards for the Honors Thesis/Project

established by the Honors Council. The Honors Council and the Dean of the University Honors College recommend that HON 400 should be taken during the fall semester of the junior year. Students failing to complete the HON 400 course by the end of the junior year will not be continued on their academic scholarship. University Honors College students should plan on presenting their Thesis/Project at the end of the fall semester of the senior year. Requirements and procedures for the University Honors College Thesis/Project are outlined in The Preparation of the University Honors College Thesis/Project. Copies of this guide are available from the Dean of the University Honors College or the Chair of the Honors Council.

The University Honors College is currently undergoing revision and restructuring. University Honors College students should therefore consult with the Dean of the University Honors College or the Chair of the Honors Council concerning these revisions.

Students may be assigned research on a cultural topic and will be required to submit papers as well as prepare a related exhibit for public display. Credit, 3 semester hours, PREREQ: Approval of World Studies Minor Coordinator and the Director of the Multicultural Center.

WLS 251. Introduction to World Politics (PSPA 251)

This course gives students a basic understanding of the major issues and aspects of world politics. It includes an overview of trends in world politics in the twenty-first century, considers the relevant global actors, explores the relevance of non-state actors, and focuses on the increasing importance of issues relating to global welfare. A central premise is that world politics is a combination of political, historical, economic, and sociological factors which are not static. Fall, Spring. Credit, 3 semester hours. PREREQ: PSPA 100 or 101.

WLS 320. Service Internship

This internship is designed to provide credit for those students (especially volunteers) who provide service to other cultures abroad, but could also be applied to service to groups of foreigners domestically. Students will be required to submit a substantive report regarding this experience. Credit, 1 to 3 semester hours PREREQ: Approval of World Studies Minor Coordinator and the Director of the Multicultural Center.

WLS 330. Study Abroad

Students who successfully study abroad for a trip lasting a minimum of one week and a maximum of two semesters in a University-approved program will be required to prepare a substantive report regarding their experiences while abroad or report on a particular point of interest they may have researched while in a foreign country. Credit, 1 to 7 semester hours, PREREQ: Approval of World Studies Minor Coordinator and the Director of the Multicultural Center.

WLS 450. Seminar in International and Intercultural Relations

Research seminar to gain experience in formulating, designing, and implementing meaningful research projects in international and intercultural relations. A substantial paper will be prepared by the student and presented to the Seminar and World Studies faculty. Fall, Spring. Credit, 3 semester hours. PREREQ: Approval of World Studies Minor Coordinator.

ELECTIVE COURSES (Select four)

Courses must be selected by the student, approved by the Coordinator, and noted in the minor advisement file of the student. A minimum of 12 unduplicated semester hours will be chosen. Participating departments include:

Biology	History
Business Administration	Philosophy and Religion
Geology and Geography (Geography)	Political Science and Public Administration
English, Theatre, and Languages	Sociology and Criminal Justice

HEALTH PROFESSIONS PROGRAMS

In addition to the Bachelor of Science in Nursing, described in the College of Arts and Sciences section, the Departments of Biology and Chemistry and Physics provide curricula which meet the requirements for admission into most schools of medicine, dentistry, veterinary science and medical technology. In addition, students wishing to pursue a degree in a variety of other health related professions such as pharmacy, optometry, physical therapy, etc., can obtain some of the required college preparation (generally two years) at UNC Pembroke prior to transfer to the appropriate professional school. In each case, admission to the professional school is competitive and completion of the pre-

scribed curriculum at UNCP does not guarantee such admission. Because entrance requirements vary with the profession and with individual schools, it is the responsibility of the student to be familiar with the requirements of the specific school to which he or she plans to apply. Advice or assistance can be obtained from the Health Careers Counselor, or from any biology or chemistry faculty member.

PRE-HEALTH CURRICULA AND DEGREE PROGRAMS THAT LEAD TO THE HEALTH PROFESSIONS

Curricula	Degree Programs
Pre-Medical, Pre-Dental, Pre-Pharmacy, Pre-Medical Research, Pre-Veterinary Medicine, Pre-Medical Technology, Pre-Optometry, Pre-Nursing, Pre-Public Health, Pre-Allied Health	B.S. Biology, B.S. Chemistry, B.S. Applied Physics, B.S. Psychology, B.S. Mathematics, B.S.N. Nursing

PREPROFESSIONAL CURRICULA IN MEDICINE

Although a B.S. degree is technically not a prerequisite for these programs, the large majority of students who apply and are accepted do hold an undergraduate degree. It is therefore recommended that students interested in these areas pursue a B.S. degree. The Departments of Biology and Chemistry and Physics offer B.S. programs with biomedical emphasis that enable a student to meet requirements for most professional schools. These programs are detailed in the program descriptions of the Departments of Biology and Chemistry and Physics.

ACCELERATED PROGRAM IN MEDICAL TECHNOLOGY

UNCP offers a program to its biology and chemistry majors in affiliation with hospitals approved by the Council on Medical Education of the American Medical Association which gives, by the board of registry of Medical Technologists, a medical technology certificate. In this program the students complete six semesters of on-campus study and one year of study and training in an affiliated hospital. After satisfactory completion of the fourth year (hospital training), UNCP will award the B.S. degree in biology or chemistry to the students. Undergraduate students enrolled in the fourth year of the accelerated program in medical technology must pay tuition to both UNCP (not including fees) and to the affiliated hospital. Details of the medical technology programs appear in the program descriptions of the Departments of Biology and Chemistry and Physics.

Currently, the Biology Department and the Chemistry and Physics Department have formal affiliations with McLeod Regional Medical Center in Florence, S.C. Dr. Vera C. Hyman, M.D., and Ms. Vicki Anderson, M.T., the program director and the education director at McLeod Medical Center, are regarded as adjunct professor and lecturer respectively at the University of North Carolina at Pembroke. Although the affiliation agreement does provide UNCP students some preference in the admissions process, it should be noted that admission to the hospital program is competitive and that the admissions process is a function of the hospital program.

It should be noted that this is an accelerated program which allows the student to complete in four years a program that often requires five years. Students may elect the alternate route in which a B.S. degree in biology or chemistry (biomedical emphasis) is obtained before application to a hospital program. Students electing this route are eligible to apply to any school of medical technology and are not limited to programs affiliated with The University of North Carolina at Pembroke.

ACADEMIC POLICIES

REQUIREMENTS FOR GRADUATION 40
 ACADEMIC PROCEDURES AND POLICIES 42

REQUIREMENTS FOR BACCALAUREATE GRADUATION

Though appropriate UNCP faculty and staff make every effort to insure that students register for the courses required by their chosen degree program, the ultimate responsibility for meeting graduation requirements lies with the individual student. Each candidate for graduation must meet all of the following requirements:

1. Have a minimum of 120 to 128 semester hours of course work in accordance with specific degree requirements excluding ENG 104, MAT 104, EDN 104, MUS 106;
2. Have successfully completed the General Education Program;
3. Earn a grade of “C” (2.0) or better in both English composition courses, ENG 105 and ENG 106;
4. Have successfully completed a program for an academic major;
5. Have a minimum overall cumulative quality point average of 2.0 and have a minimum cumulative quality point average of 2.0 in all work attempted at the University of North Carolina at Pembroke;
6. Have a minimum overall cumulative quality point average of 2.0 in the major field of study;
7. Complete a minimum of 9 semester hours above the General Education Program level in the major field of study at UNC Pembroke if the student transferred here;
8. Be registered during the academic year in which the student’s graduation occurs;

10. Count no more than 3 semester hours of activity courses toward the credit hours required for graduation. Activity courses are defined as having: no regularly scheduled class meeting time, no well defined instructional format, and no graded (A, B, C, D) work required. Excluded from this definition are FRS 100 (Freshman Seminar) and supervised internship courses;
11. Count no more than 24 semester hours of correspondence and/or extension credit (with no more than 12 hours of correspondence from regionally accredited institutions toward a degree, provided that such correspondence credit is approved by the Office of the Registrar and will not be applied to satisfy specifically stated course requirements in major programs) (NOTE: Any student needing to take correspondence work after admission to study at UNC Pembroke may be permitted to do so only after obtaining formal approval from the student’s academic advisor, from the Office of Academic Affairs, and from the Office of the Registrar.);
12. Meet the requirements of one catalog which were current at the time the student entered this institution or a subsequent catalog. Students will not be allowed to meet some of the requirements of one catalog and some of the requirements of another catalog;
13. Meet the requirements of the catalog in effect at time of readmission or those of a subsequent catalog if attendance is interrupted for more than one semester;
14. Have the recommendation of the faculty;
15. Make application for the degree by November 1st for the following spring or summer commencement and April 1st for the following winter commencement when earned hours

reach 75 (end of first semester of junior year).

- a. Complete (including all required signatures) a Degree Application Form (available in the Office of the Registrar);
- b. Pay a non-refundable graduation fee of \$40 by the required date or an additional \$25 late filing fee will be charged;
- c. If a candidate fails to qualify by the time of commencement, but does qualify at a later time, the student must submit another application and a \$25 diploma fee;
- d. If the candidate fails to meet this requirement as specified, the student must wait until the next commencement to receive his or her degree;

16. Satisfy all financial obligations to the University.

All candidates are encouraged to complete a file in the Career Services Center.

COMMENCEMENT

A student may complete graduation requirements at the end of fall, spring or summer session. A student who completes requirements in fall or spring is required to attend commencement at that time. A student who completes graduation at the close of the summer sessions will have the option of returning to participate in the winter commencement or of receiving the diploma in absentia. If the student elects to receive the diploma in absentia, the student must submit to the Registrar one month prior to commencement a written request which indicates the address to which the diploma will be mailed. The diploma will be mailed after commencement.

A student may participate in commencement exercises if he or she has met all the requirements for graduation. When commencement takes place before final grades are processed, a student may participate in commencement if the Registrar has not been notified that the student will not meet all the requirements by the last day of exams.

PERMISSION TO TAKE A COURSE AS A VISITOR AT ANOTHER UNIVERSITY

Students who wish to enroll in courses at other institutions to apply toward a degree at UNCP must adhere to the following policies:

1. Have written approval from their UNCP advisor.
2. Have written approval from their UNCP Department Chair if the course is part of their major curriculum.
3. Have written approval from the UNCP Registrar.
4. Have a minimum QPA of 2.0.
5. Be in good social standing.
6. Have an official transcript submitted to the UNCP Office of the Registrar immediately upon completion of the course.
7. After attaining junior standing (60 hours), no student may take or transfer courses from any two-year college.
8. After completing 75% of course work, no student may take or transfer courses from any other academic institution.
9. Courses accepted for transfer credit will be evaluated in terms of UNCP's academic policies, curriculum and the student's proposed program at UNCP. Fractional credit will not be granted for partial completion of any course.
10. Credit hours will transfer for courses in which the student earns a "C" or better. Grades earned at other institutions are **not** used to compute UNCP's quality point average.
11. Permission will not be granted to repeat a course at another institution. Students may elect to repeat any course if the original course and the repeat course are taken at UNCP.

COURSE LOAD AND PROGRESS TOWARD GRADUATION

Students are expected to enroll in at least 15-16 semester hours credit per term so that it is possible for them to graduate in four years (eight semesters). Full-time students must carry at least 12

semester hours each semester. The maximum load is 18 semester hours except as follows. Students who are on the Honors List may take up to 19 semester hours; students who are on the Chancellor's List may take up to 21 semester hours. Summer session students may carry no more than 7 semester hours each summer session term. All course work counts toward student load whether the student is enrolled for credit or as an auditor at this or another institution

All undergraduate degree programs at UNCP require between 120-128 semester hours for graduation. In order to graduate in 4 years (8 semesters), it is necessary to take (and pass) 15-16 semester hours for 8 semesters. Students must work with their advisors and their major departments to ensure that they follow the scheduling sequence of required courses for their majors.

Students entering as of fall 1994 who take more than 140 hours to complete a baccalaureate degree must pay a tuition surcharge of 25%. (See Tuition and Fees.)

ACADEMIC PROCEDURES AND POLICIES

Students are expected to learn the University requirements and regulations which are applicable to them, and are individually responsible for meeting all such requirements and regulations. *Before the close of each semester, the student is expected to discharge all financial obligations to the University.* A student may not register for a new semester nor receive a degree, certificate, or transcript until all University bills are paid.

UNDERGRADUATE GRADING AND ACADEMIC ELIGIBILITY

Regulations concerning academic eligibility are subject to constant revision and change. In the event of a change all students will conform to the newer regulations.

Classification of Students

Regular students at UNCP are classified according to the number of semester hours they have earned in keeping with the following table:

Less than 30 hours-Freshman	60 to 89 hours-Junior
30 to 59 hours-Sophomore	90 hours to graduation-Senior

Grading System (Undergraduate)

Students may view their midterm and final grades on BraveWeb. Students needing a copy of their grades may print them from BraveWeb or request a transcript.

A letter grade and plus-minus system for evaluating academic performance is used for evaluating all undergraduate students. Each letter grade has a quality point value for each semester hour it represents. The hour and quality points are used in determining a student's grade point average for a semester's work and in averaging grades for all work completed to find a student's cumulative quality point average.

Academic eligibility for a student shall be determined by current regulations.

The letter grades and quality points represented by each, as of 1 January 1989, are as follows:

A = 4.0	B-=2.7	D+ = 1.3	P = 0.0
A- = 3.7	C+= 2.3	D = 1.0	I = 0.0
B+=3.3	C = 2.0	D- = 0.7	T= 0.0
B = 3.0	C- = 1.7	F = 0.0	W or AU= 0.0

The "P" grade is earned in designated courses and carries semester hours credit. However, the hours are not counted in quality hours. Quality hours are the hours used in figuring quality point averages.

The "I," or incomplete grade, is given when a student is unable to complete required work

because of an unavoidable circumstance such as illness. It is not to be given to enable a student to do additional work to improve a grade. Assigning the “I” grade is at the discretion of the individual instructor. It is the student’s responsibility to request the “I” grade. Generally, the student will have completed most of the work required for the course before the “I” grade is requested. An incomplete must be removed within one semester (excluding summer term) or it will automatically be converted to a grade of “F” by the University Registrar. In determination of quality hours and quality point averages, an “I” is counted as an “F” until it is removed. An “I” grade does not fulfill prerequisite requirements.

The “T,” grade pending, is given only for University Honors College courses until the thesis or project is completed.

The “W” grade is assigned when a student withdraws from a course during the designated drop-add period or when special permission is granted to withdraw (see below, for withdrawal process). When a student receives a “W” grade, the grade is recorded, but the semester hours attempted are not counted as quality hours.

Audited classes are listed on the permanent record. They are designated by the letters “AU.” The AU’s and W’s will be listed as attempted hours, but not as quality hours for figuring quality point averages.

Quality Point Average and Scholastic Standing

Scholastic standing at UNC Pembroke is based on the quality point average. To figure quality point average, multiply the number of quality hours (attempted hours minus P credits, AU’s and W’s) assigned to each course by the number of quality points received, add the quality points received for all courses, and divide by the number of quality hours.

Example:

Course	Final Grade	Course	Quality Hours	x	Quality Points	=	Quality Points Earned
Course A	C+		3	x	2.3	=	6.9
Course B	B-		3	x	2.7	=	8.1
Course C	A		1	x	4.0	=	4.0
Course D	P		0*	x	0.0	=	0.0
Course E	F		1	x	0.0	=	0.0
Course F	B		3	x	3.0	=	9.0
Course G	A-		3	x	3.7	=	11.1
Course H	I		2	x	0.0	=	0.0
			Total Quality Hrs. 16				Total Quality Pts. 39.1

$$\text{Quality Point Average} = 39.1 \text{ divided by } 16 = 2.44$$

*A grade of P counts as hours earned but not as quality hours and is computed as 0 hours in figuring quality point averages.

A cumulative quality point average is obtained by including in the quality point average calculation the quality hours and quality points received from UNCP only.

Minimum Scholastic Requirements

To indicate to a student his/her scholastic standing, four categories have been established: good standing, warning, probation, and suspension. Suspension means a minimum of two semesters separation from the University to allow more maturation in those attributes that enhance the student’s academic ability.

Required levels of academic achievement increase progressively over the approximately four years leading to graduation. This is in recognition of the adjustment period of transition from high school to college level, which is sometimes difficult. The total semester hours from all colleges attended

will be the basis for determining the required minimum cumulative Quality Point Average (QPA). However only those grades earned at the University will be used to compute the student's cumulative quality point average. The cumulative quality point averages required are as follows:

Semester Hours	Quality Point Average
1-29	1.375
30-44	1.500
45-59	1.625
60-74	1.750
75-89	1.875
90 or more	2.000

Academic Warning and Probation Policy

A student who falls below the specified cumulative grade point average for the number of quality hours attempted (including transfer hours) will be placed on warning (1-18 attempted hours) or probation (19 or more attempted hours) and restricted to enrollment of not more than 13 semester hours.

The following policies will apply to students who are placed on warning/probation:

1. In order to be taken off warning/probation, the student with 1-18 attempted hours must reach the required grade point average in two (2) semesters; the student with 19 or more attempted hours must reach the required grade point average in one (1) semester.
2. If the required cumulative minimum grade point average is not reached in the specified time, the student may continue on warning/probation if a grade point average of 2.0 or higher is earned for the probationary semester[s].
3. If either of the above requirements is not satisfied, the student will be suspended for two (2) semesters.
4. Any new student (first-semester freshman or new transfer student) who receives all "F"s in academic (three-semester-hour) courses will be placed on academic probation. In order to continue in the second semester, an academic contract must be completed in the Office of Advisement and Retention, and the student must enroll in a 6-week, non-credit Academic Success Seminar. One of the following conditions must be met to avoid a two (2) semester suspension at the conclusion of the second semester: (a) a second semester quality point average (QPA) of 2.0 or higher, and/or (b) an overall quality point average (QPA) above, or equal to, the University minimum for the number of earned semester hours.

a. Suspension and Readmission

After at least two semesters of academic suspension for failure to meet the Minimum Scholastic Requirements outlined above, a student may apply for readmission. Before registering for classes, the student must meet with the Director of Retention Activities and complete an "Academic Success Contract" that specifies the actions the student will take to improve his/her academic standing. The Academic Success Contract will specify the following, all at the discretion of the Director of Retention Activities: 1) the number of semester hours (6-13) for which the student can register, 2) a schedule of regular meetings with the Retention Officer, 3) class attendance policies, and 4) other appropriate intervention strategies.

Only after the Academic Success Contract is signed by the student and the Director of Retention Activities will the student be allowed to register for courses. Copies of the Academic Success Contract will be kept on file in the Office of Advisement and Retention and the Academic Affairs Office. The student's advisor and the student will also receive copies.

b. Suspension and Early Readmission

A student may appeal his or her two-semester suspension by complying with the following procedure:

1. Meet with the Director of Retention Activities and complete an Academic Success Contract,

as defined above.

2. Enroll in a 6-week, non-credit seminar on academic success.
3. Present a written appeal to the Readmission Appeals Committee at least four days prior to registration for classes that contains the following items:
 - A) justification for the student's early readmittance;
 - B) written proof of health, personal, or other problems that may have affected the student's academic performance in the past, with an explanation of how these problems will be remedied
 - C) a signed copy of the Academic Success Contract.

If the required cumulative minimum grade point average is not reached by the end of the semester, the student may continue on warning/probation if a grade point average of 2.3 or higher is earned for the probationary semester.

c. Special Readmission Policy (See Admissions section of the catalog.)

ACADEMIC HONORS

Graduation with Honors

Graduating seniors may be considered for honors if they have earned a Quality Point Average (QPA) of at least 3.4 for 45 semester hours of course work in residence at UNCP. All course work attempted (including quality hours from other institutions and repeated hours) will be included in the calculation of the cumulative QPA for determining the particular honors designation awarded. Students who attain a cumulative QPA of 3.85 or higher are graduated *summa cum laude*. Those who achieve a minimum cumulative QPA of 3.7 are graduated *magna cum laude* and students whose cumulative QPA is at least 3.4 are graduated *cum laude*.

Students who achieve the hours and the QPA requirement at the beginning of the last semester of their senior year will be recognized at commencement. The final assessment is done after graduation and honors are pending for all students until this is completed. The honors designation will appear on the student's diploma and transcript.

Honors/Chancellor's List

Students are eligible for Honors List if they achieve a minimum semester quality point average of 3.2 while passing at least 15 semester hours of course work, of which at least 12 hours must not be Pass/Fail.

Students are eligible for Chancellor's List if they achieve a minimum semester quality point average of 3.7 while passing at least 15 semester hours of course work, of which at least 12 hours must not be Pass/Fail.

ORIENTATION AND ADVISEMENT

New Student and Family Orientation and Testing

The Office of New Student and Family Orientation offers several programs during the spring and summer of each year to acquaint new students and family members with the academic, co-curricular, and social opportunities offered at the University. These programs are designed to ease the transition of incoming students and their family members to UNC Pembroke. All students who are required to attend New Student and Family Orientation will be mailed information concerning the program. In addition, freshman students are required to attend a Welcome Program in August.

Students requiring placement testing will take a battery of University-administered tests prior to the student's first registration. Those students will register for classes after they have completed their placement exams. The tests will be administered during one of the testing dates offered during the year. The tests are not entrance examinations and will not deny admission to any student. The purpose of the test is to provide information to assist in advising every student and in planning the student's academic schedule.

Those students who score below acceptable standards on the University-administered test in

Composition will be placed in ENG 104. Students who score below acceptable standards on the University-administered mathematics test will be placed in MAT 104. Students who score below acceptable standards on the reading test will be placed in EDN 104. Students placing in one or more of these courses will be advised to limit their course loads to 12 semester hours in the fall semester and to seek tutorial aid. ENG 104, MAT 104, and EDN 104 do not count toward graduation.

Academic Advisement

New freshmen are advised by the staff of the Office of Advisement and Retention when registering for first semester courses, after which time they will be assigned faculty advisors. In most cases, Freshman Seminar instructors become their students' advisors. When a student declares a major, he or she will be assigned an advisor in the appropriate academic department. The advisor's role is to assist the student in planning a suitable academic program and to maintain a record of progress during the student's college career. However, the final responsibility for meeting all academic program requirements lies with the student. The Office of Advisement and Retention also serves as a resource center for students who may wish to seek additional academic help. In addition, faculty members may refer students to the Office of Advisement and Retention for academic counseling.

REGISTRATION PROCEDURES AND POLICIES

Registration

Each student must complete registration online. No student is considered to be officially registered until the student has completed registration as outlined below. Students who fail to complete registration as prescribed will have their names dropped from all class rolls. If these students subsequently request to register, they must follow registration procedures just as if they had not started registration before.

The advisor's role is to assist the student in planning a suitable academic program. However, the student is responsible for following all applicable academic regulations. This includes general education requirements, prerequisites, and major/minor requirements. Students are individually responsible for all course registrations and for completing the requirements for graduation. The Office of the Registrar will drop students who register for courses without following departmental or University regulations. Each student must register online prior to the first day of class. After classes begin, each student must register in person in the Office of the Registrar.

The University has a two-phase registration system: the early registration phase and the regular registration phase.

Students currently enrolled at the University of North Carolina at Pembroke may complete their registration by: (1) consulting with their advisor during the designated early registration period, (2) obtaining the registration material (Permit to Register Card) from the advisor and preparing their class schedule for the next semester, (3) registering for the approved course work online, and (4) paying tuition and fees to the Cashier's Office.

Students entering UNCP for the first time or returning after an absence of one semester or more may complete their registration by: (1) consulting with their advisor during the designated registration period, (2) obtaining a Permit to Register Card and preparing their class schedule for the semester, (3) registering for the approved course work online, and (4) paying tuition and fees at the Cashier's Office.

Adding, Dropping, and Withdrawing from Courses

After a student has completed registration the only way the student's schedule can be changed is through the drop-add procedure. To add a course a student must obtain a Drop-Add Form from an academic department, complete the form, have it approved by his or her advisor, obtain the signature of the gaining professor, and present the form to the Office of the Registrar. To drop a course a student must obtain a Drop-Add Form from an academic department, complete the form, have it approved by his or her advisor, and present the form to the Office of the Registrar.

A student may withdraw from a course after the drop-add period but prior to and including the

last day of the first week of classes after midterm grades are reported, with a grade of W, if the student obtains the signature of her or his advisor.

Withdrawal without penalty from a course or courses after the deadline for withdrawal, but before the last two weeks of classes in the semester, may be approved only for appropriate cause such as serious illness. Appropriate documentation is required. Unsatisfactory academic performance does not by itself constitute sufficient reason to grant a late withdrawal.

The student should secure a course withdrawal form from the Registrar's office, obtain the instructor's signature and the advisor's signature, and return the form to the Academic Affairs Office for review. Approved requests receive W in the course. A copy of the completed form and any required documentation must be on file with the Academic Affairs Office before a late course withdrawal will be considered. A second copy of the completed withdrawal form will be forwarded to the Registrar's Office for entry of the assigned grade.

Withdrawal from the University

Up to the last day to receive a W in a course, a student may complete a "Request for Withdrawal" form, available from the Office of the Registrar. The student should get the required signatures, take the I.D. card to the Student Accounts Office, and return the form to the Office of the Registrar. The University makes applicable refunds only after the withdrawal procedure is completed.

After the last day to receive a W in a course, the Office for Academic Affairs approves withdrawal from the University without academic penalty only when unusual and documentable circumstances warrant. Unsatisfactory academic performance does not by itself meet the requirement. As soon as possible, and no later than before the beginning of the last two weeks of classes in the semester, the student petitioning to withdraw from the University must meet with the Assistant Vice-Chancellor for Academic Affairs, present the required documentation, and complete the necessary forms. Approved requests receive W in all courses. Students who stop attending classes without completing the withdrawal procedure ordinarily receive an F in courses for which they are registered.

Repetition of Course Work

A student who wishes to repeat a course must adhere to the following policies:

1. The original course and the repeat course must be taken at UNCP.
2. The course being repeated must be the same course taken previously; no substitutions are allowed.
3. Students may repeat a course a maximum of three times. Exceptions to this limit require approval of the chair of the department offering the course and the appropriate dean.
4. All grades received in courses repeated will be used to compute the quality point average, unless the student elects to use a grade replacement (see "Grade Replacement Policy" below).
5. A student will receive credit (earned hours) for a course one time, and the most recent grade will be used in meeting graduation requirements.
6. All entries remain a part of the student's permanent record.

Grade Replacement Policy

a. Students Entering UNCP Prior to Fall 1994

Undergraduate students who entered UNCP before the fall of 1994 and who follow the repeat policy will automatically have the grade replaced for all eligible repeats. The semester hours and quality points in courses repeated are counted only once, and the most recent grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements. However, all entries remain a part of the student's permanent record.

b. Students Entering UNCP for Fall 1994 and Thereafter

Beginning with the fall semester of 1994/ undergraduate students who enter UNCP and who wish to replace a course grade must adhere to/the following policies:

1. A student must follow all regulations regarding repetition of course work.

2. Some courses may be taken more than once for full credit; these courses are not eligible for grade replacement.
3. The semester hours and quality points in courses repeated are counted only once, and the most recent grade and the quality points corresponding to the most recent grade are used in computing the quality point average and meeting graduation requirements.
4. Students entering UNCP as freshmen will have the option of replacing a maximum of 15 credit hours with improved grades earned by repeating courses. No student is eligible for more than 15 hours of replacement credit regardless of his/her entry date.
5. The credit hours associated with each repeated course will count toward the cumulative replacement hours.
6. Students transferring or readmitted to UNCP may replace grades for courses taken at UNCP for a maximum number of hours as determined by the scale below, which is based on the number of hours accepted for transfer or readmission.

Transfer or Readmission Hours Accepted as of Fall 1994	Maximum Hours for Replacement
0-23 hours	15
24-51 hours	12
52-89 hours	9
90 or more hours	6
Candidate for Second Bachelor's degree	6

7. The student must secure a form from the Registrar's Office and indicate in writing which course grades are to be replaced for computation of the quality point average. The form designating specific course grade replacements will be maintained on permanent file in the Registrar's Office.
8. Decisions for course grade replacement are irrevocable.
9. All entries remain a part of the student's permanent record.

INTERNSHIPS, PRACTICA, AND INDEPENDENT LEARNING

Internships, practica, and other external learning experiences provide opportunities for students to earn academic credit for approved work or research programs in cooperating business-government, or education organizations. The internships, which are of one-term duration, are open to qualified junior or senior students with the approval of the department chairman.

All internships, practica, and other external learning experiences are supervised by UNC Pembroke faculty, who also assign grades in the courses.

Experiential Learning and Cooperative Education

Practical work experience is very important in today's world. Students at UNC Pembroke may elect to get some practical work experience which is related to their program major (or minor) through several practical work experiences.

a. Experiential Learning Program: Experiential Learning is a working-and-learning arrangement. The student negotiates a proposal in some area of interest to the student. Negotiation involves the student, the University, and an organization (business, agency, etc.) where the student plans to work. Experiential Learning is available through academic departments and requires approval of the chairman.

The following regulations govern the offerings of Experiential Learning:

1. The Experiential Learning Program consists largely of Experiential Learning I and Experiential Learning II. A student must take the courses in numerical order. They cannot be taken concurrently.
2. The amount of credit that can be earned in Experiential Learning I and II varies from one to three semester hours in each course, and is jointly determined by the student and the student's major advisor on the basis of what the student contracts to do.
3. To be eligible for enrollment in Experiential Learning I or II, a student must:

- * have declared for a major program in a department which provides its students with practical work experience through Experiential Learning I and II;
 - * be classified as a junior or senior;
 - * have an overall cumulative quality point average of at least 2.0;
 - * have the written recommendation and approval of the major department chairman and the major advisor.
4. Each eligible student who registers for Experiential Learning I or II is required to sign and carry out a written work-learning contract jointly developed by the student, the student's advisor, and the organization providing the practical work experience which states:
 - * what the student is to do, what the major advisor is to do, and what the organization is to do;
 - * the number of semester hours the students will earn in completing the contract;
 - * that credit will be earned only if all of the contracted work is completed with a contract period of one-semester or term of summer session;
 5. Eligible students are allowed to use not more than a total of six semester hours credit in Experiential Learning I and II in meeting the 128 semester hours minimum requirement for the degree.

b. Cooperative Education Program: Cooperative Education is an arrangement whereby UNC Pembroke cooperates with an outside business or agency to help a student directly explore a career-related field as an integral part of the educational program. The program allows participating students to alternate full-time work and on-campus study as complementary educational experiences while pursuing an academic degree program. To be eligible, a student must have completed a minimum of 30 semester hours and normally must have earned a cumulative QPA of 2.0 or above. Participants typically receive pay, and academic credit may be awarded if approved by the department chair, the Academic Affairs office, and the Registrar. Cooperative Education is coordinated by the Career Services Center.

Independent Study

A student who wishes to enroll in an Independent Study Course in any department must: (1) meet the requirements established by the department for Independent Study and (2) submit a written Request for Independent Study to the department chair. The Request for Independent Study must include a complete description of the Independent Study Project and a schedule for submission of the Project. The Request must be approved by (1) the professor supervising the Independent Study Project and (2) the department chair. A student may elect to work for one, two, or three semester hours of credit.

Upon completion of the Independent Study Project, the student must submit the Project to the supervising professor. The supervising professor will evaluate the Project and assign a grade. A copy of the Project will be submitted to the department chair, who will keep it on file.

Departments permitting Independent Study Projects will have written guidelines setting out the requirements for Independent Study. Supervision of Independent Study Projects by faculty is voluntary.

CLASS ATTENDANCE POLICIES

Regular class attendance is important to the educational experience of each student and to the academic integrity of the university curriculum. Students are expected to attend every class beginning with the first session. The University reserves the right to administratively withdraw students who have never attended any classes for the semester. Regular class attendance is a student responsibility. A student is responsible for all the work, including tests and written work, of all class meetings. No right or privilege exists that permits a student to be absent from any given number of class meetings.

For all general education classes, instructors will keep attendance records. If a student misses three consecutive class meetings, or misses more classes than the instructor deems advisable, the instructor will notify the Office of Freshman Seminar and Academic Advisement (administrator of the

Early Alert program) for appropriate follow-up. Departments may also develop and distribute attendance policies and procedures to be followed for students who miss an excessive number of classes.

For all classes, instructors have the discretion to determine how the attendance policy will be implemented, the circumstances under which make-up work may be allowed, and whether attendance will be used as a criterion in determining the final grade. Excessive absences may result in failure. Faculty will distribute a written statement of their attendance policy as part of the course syllabus. Students should not enroll in a course if participation in University-sponsored activities causes them to miss an excessive number of classes, as determined by the instructor.

When the University is officially closed, no student can be counted absent, even if the instructor holds class. Any course-related material will be made available in some form by the instructor.

NOTICE CONCERNING THE INSPECTION AND RELEASE OF STUDENT RECORDS

The University of North Carolina at Pembroke complies with all provisions of the Family Educational Rights and Privacy Act of 1974. The full statement of the University's policy is available in the Office of the Registrar located in Lumbee Hall. With some exceptions, students have the right to inspect and to challenge the contents of their education records. Access to academic records is coordinated through the Registrar's Office. Students wishing to inspect their records should contact the Registrar in Lumbee Hall between the hours of 8:00 a.m. and 5:00 p.m. Monday - Friday, while the University is in session.

The University routinely releases to the public so-called Directory Information, as follows: the student's name, address, telephone listing, electronic mail address, major field of study, participation in officially recognized activities and sports, weight and height of athletic teams, dates of attendance, degrees and awards received, and previous educational agency or institution attended by the student. Any student who wishes to have the above Directory Information withheld must complete and sign a request in the Registrar's Office. This request must be renewed at the beginning of each semester.

FEDERAL FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA):

Certain personally identifiable information about students ("education records") may be maintained at The University of North Carolina General Administration, which serves the Board of Governors of the University system. This student information may be the same as, or derivative of, information maintained by a constituent institution of the University; or it may be additional information. Whatever their origins, education records maintained at General Administration are subject to the Federal Family Educational Rights and Privacy Act of 1974 (FERPA).

FERPA provides that a student may inspect his or her education records. If the student finds the records to be inaccurate, misleading, or otherwise in violation of the student's privacy rights, the student may request amendment to the record. FERPA also provides that a student's personally identifiable information may not be released to someone else unless (1) the student has given a proper consent for disclosure or (2) provisions of FERPA or federal regulations issued pursuant to FERPA permit the information to be released without the student's consent.

A student may file with the U.S. Department of Education a complaint concerning failure of General Administration or an institution to comply with FERPA.

The policies of The University of North Carolina General Administration concerning FERPA may be inspected in the office at each constituent institution designated to maintain the FERPA policies of the institution. Policies of General Administration may also be accessed in the Office of the Secretary of The University of North Carolina, General Administration, 910 Raleigh Road, Chapel Hill, NC.

Further details about FERPA and FERPA procedures at General Administration are to be found in the referenced policies. Questions about the policies may be directed to Legal Section, Office of the President, The University of North Carolina, General Administration, Annex Building, 910 Raleigh Road, Chapel Hill, NC (mailing address P.O. THE UNIVERSITY OF NORTH CAROLINA AT PEMBROKE ACADEMIC HONOR CODE

I. OVERVIEW

The University of North Carolina at Pembroke Academic Honor Code sets forth the standards of academic honesty and integrity for students at UNCP and describes attendant faculty responsibilities. Students and faculty are expected to be familiar with its provisions. This Code defines student behavior which violates the standards (Section III), and enumerates the penalties for violations and the circumstances under which such penalties may be imposed (Section IV).

Section V sets forth the procedures for dealing with cases where a violation of the Academic Honor Code is alleged. Those procedures permit a faculty member to address a student's first violation through discussion with the student. If the student freely admits the offense and accepts the penalty assigned by the faculty member, an agreement settling the matter is signed by both, the faculty member imposes the penalty, and the matter ends (Section V.A.). If UNCP records show that the student has previously committed an Academic Honor Code violation, or if the student decides not to admit guilt or accept the penalty, or if the faculty member believes that the seriousness of the offense warrants a more severe penalty than those which may be imposed in the settlement process, the matter must be referred to the Campus hearing Board (Section V.B.) if any penalty is to be imposed. The Campus Hearing Board hears the evidence from the faculty member and student and determines whether the student did commit a violation. If no violation is found, the matter ends and no penalty may be imposed. If the Campus Hearing Board finds that the student did commit a violation, it determines the appropriate penalty (Section V.C.). A student found guilty may appeal the Campus Hearing Board's decision to the Campus Appeal Board (Section V.D.).

II. STATEMENT OF PRINCIPLES

Academic honor and integrity are essential to the existence of a university community. Without maintenance of high standards of honesty, members of the instructional faculty are defrauded, students are unfairly treated, and society itself is poorly served. Maintaining the academic standards of honesty and integrity is ultimately the formal responsibility of the instructional faculty. To meet their responsibilities when academic dishonesty is suspected, individual faculty members must follow the policies and procedures stated in this Code.

Students are also members of the academic community. As responsible members of the University, students are obligated not to violate the basic standards of honor, and they are expected to take an active role in encouraging other members to respect those standards. Should a student suspect a violation of the Academic Honor Code, he/she should make the suspicion known to a member of the faculty or University administration.

Commitment to maintaining and encouraging high standards of academic honesty and integrity is demonstrated in many ways. One manifestation is the policies and procedures governing violation of the standards. Herein contained are the provisions of the UNCP Academic Honor Code.

III. DEFINITIONS OF VIOLATIONS

Definitions and/or examples of violations of the Academic Honor Code are as follows.

A. CHEATING:

Intentionally using or attempting to use unauthorized materials, information, notes, study aids or other devices in any academic exercise. This definition includes unauthorized communication (oral and/or written) or receipt of such information during an academic exercise.

B. PLAGIARISM:

Intentionally or knowingly presenting the work of another as one's own (i.e., without proper acknowledgment of the source).

C. FABRICATION AND FALSIFICATION:

Intentional and unauthorized alteration or invention of any information or citation in an academic exercise. Falsification is a matter of altering information while fabrication is a matter of inventing or counterfeiting information for use in any academic exercise.

D. ABUSE OF ACADEMIC MATERIALS:

Intentionally or knowingly destroying, stealing, or making inaccessible library or other academic material.

E. COMPLICITY IN ACADEMIC DISHONESTY:

Intentionally or knowingly helping or attempting to help another to commit an act of academic dishonesty.

IV. PENALTIES

All acts of academic dishonesty violate standards essential to the existence of any academic community. Some first offenses are properly handled and remedied by the faculty member teaching the specific course in which they occur. The faculty member must use the settlement procedure described in Section V to handle such an offense. The penalties which may be assessed are limited to the following: (a) a formal warning/reprimand, (b) a reduced grade (including F) for the assignment, (c) a reduced grade (including F) for the entire course. Whatever the penalty, a signed form regarding the settlement will be kept for five years (or until the student graduates) in the Office for Student Affairs. The purpose of this record-keeping is to be sure students who violate the Academic Honor Code a second time are dealt with appropriately. A second purpose is to deter students from repeating offenses.

All second offenses and some first offenses have import beyond the specific course in which the violation occurred. The Campus Hearing Board handles such violations, and the possible penalties are greater. In these cases the Campus Hearing Board may impose any of the penalties listed above (a,b,c) and/or the following: (d) disciplinary suspension from the University for a designated period of time (one semester, one year, etc.); or (e) dismissal from University for an indefinite period of time.

In all determinations of penalty, the following factors should be considered:

1. The nature and seriousness of the offense.
2. The injury or damage resulting from the misconduct.
3. The student's motivation and state of mind at the time of the incident.
4. The student's prior disciplinary record.
5. The student's attitude and demeanor subsequent to the violation.

V. PROCEDURES FOR HANDLING CASES

A faculty member responsible for assigning final grades in a course may acquire evidence directly, or through information supplied by others, that a student violation of the Academic Honor Code may have occurred. After collecting the evidence available, the faculty member should determine whether it warrants proceeding to the next level of inquiry.

If the faculty member determines that the evidence is sufficient, he/she should contact the Vice Chancellor for Student Affairs, who will determine from his records whether the student has previously admitted to or been found guilty of an Academic Honor Code violation. If the suspected violation would be a second offense, the faculty member must take the case of the Chairperson of the Campus Hearing Board. If the suspected violation would constitute a first offense but one which the faculty member considers the appropriate penalty to be more severe than an F in the course, the case must be brought to the Chairperson of the Campus Hearing Board. If the faculty member believes, however, that the suspected violation would be remedied by a penalty no greater than F in the course, the settlement procedure may be used to conclude the matter and provide a record (see Section IV. Penalties).

Once a student has received notice that he/she is charged with an Academic Honor Code offense, the student is not permitted to withdraw from the course in order to avoid the appropriate penalty.

A. Settlement Procedure: The faculty member meets with the student and presents the evidence of an Academic Honor Code violation, then request an explanation from the student. After hearing the explanation, if the faculty member determines that a violation has occurred, he/she fills out and signs the approved form distributed to all faculty members, noting the penalty to be applied, and gives the form to the student. The student has three school days to consider and seek advice on whether to admit guilt and accept the penalty by signing the form. If the student agrees to sign, he/she does so in the presence of the faculty member who then implements the penalty. The faculty member

forwards the settlement form to the Vice Chancellor for Student Affairs, who keeps a record of first offenses for five years (or until the student graduates), and thus the matter is ended. If the student decides not to admit guilt or not accept the penalty, the faculty member must take the case to the Chairperson of the Campus Hearing Board, if any penalty is to be imposed.

B. Campus Hearing Board: The Campus Hearing Board is made up of three faculty members and one administrative member appointed by the Chancellor of the University, and three students appointed by the President of the Student Government Association. The conduct of Hearings is outlined in Article IV, Section C.2 of the University of North Carolina at Pembroke Student Constitution.

Where a student is not found in violation of the Academic Honor Code, a written report is prepared and sent to the Vice Chancellor for Student Affairs, who will maintain a confidential file of materials related to the case. No part of that file becomes part of the student's disciplinary record. The case is closed, and no penalty may be imposed.

Where a student is found guilty of violating the Academic Honor Code, the Campus Hearing Board determines the appropriate penalty. Both student and faculty may submit evidence and make statements concerning the appropriate sanctions to be imposed. The Vice Chancellor for Student Affairs will supply the Student's previous Academic Honor Code disciplinary record.

At the conclusion of the evidence of the appropriate penalty, the Campus Hearing Board determines the penalty, and prepares a written report to the student and the Provost and Vice Chancellor for Academic Affairs, who notified the faculty member and the Vice Chancellor for Academic Affairs of its contents. If a penalty of a grade of F in the course or less is to be assigned, the faculty member imposes that penalty determined by the Campus Hearing Board and no other penalty. If a greater penalty is deemed appropriate, the Vice Chancellor for Student Affairs implements the penalty indicated in the report. The student will be notified within five days of the Campus Hearing Board's determination of penalty.

C. Campus Appeal Board

A student found guilty has the right of appeal, and is permitted five school days from the date the student receives notice of the report of the Campus Hearing Board to file a written notice of appeal with the Vice Chancellor for Student Affairs. Failure to do so will render the decision on the Campus Hearing Board final and conclusive.

If the request for appeal has been timely filed, the Vice Chancellor for Student Affairs shall deliver this request as well as materials related to this case to the Campus Appeal Board.

The composition of the Campus Appeal Board and its adjudicatory powers are described in Article V, Section C.1 of the University Student Constitution. For Academic Honor Code violations and their appeals, the Provost and Vice Chancellor for Academic Affairs or his designate will represent the Chancellor of the University.

VI. ADVICE TO THE FACULTY

1. Faculty members should outline their expectations pertaining to the Academic Honor Code at the beginning of each course. In doing so they might authorize or prohibit specific forms of student conduct which are unique to their courses of disciplines. They should refer students to this Academic Honor Code. It is recommended that the following statement be included in all course syllabi: *Student Academic Honor Code: Students have the responsibility to know and observe the UNCP Academic Honor Code.* This code forbids cheating, plagiarism, abuse of academic materials, fabrication, or falsification of information, and complicity in academic dishonesty. Any special requirements or permission regarding academic honesty in this course will be provided to the students in writing at the beginning of the course, and are binding on the students. Students who violate the code can be dismissed from the University. The normal penalty for a first offense is an F in the course. Students are expected to report cases of academic dishonesty to the instructor.

2. Faculty members should take preventive measures to avoid cases of academic dishonesty (e.g., examinations should be carefully protected).

UNDERGRADUATE ADMISSIONS

The University of North Carolina at Pembroke is committed to the recruitment of a diverse, achievement-oriented, and socially responsible student body that will enrich the intellectual, cultural, and social community of the University and the community at large. UNC Pembroke welcomes applications from persons who have earned a high school diploma, or its equivalent, and whose academic preparation and aptitude predict success in higher education. No single consideration dictates admission decisions; instead, numerous factors and their relationships to one another enter into such decisions. All applicants demonstrating that they can profit from and succeed in undergraduate studies qualify for admission to the University.

Any student who supplies false or misleading information or conceals pertinent facts in order to secure admission to UNC Pembroke may be denied admission or, if admitted, may be immediately dismissed from the University. Such a student may be ineligible to receive any credit from the University.

Qualified applicants are admitted in the following categories:

1. New Freshmen
2. Transfer Students
3. Re-Enrolling Students
4. Special Readmission Students
5. International Students
6. Special Students
 - a. Enrichment (Non-degree)
 - b. Teacher Licensure/Renewal
 - c. Second Degree
 - d. Transient
 - e. Joint Enrolled
 - f. Audit

Students may enter at the beginning of any semester or summer term. The application priority deadlines for undergraduate admissions are as follows: the fall semester is July 15; the spring semester is December 1; summer terms I and II are May 15 and June 15 respectively. Applications are processed on a rolling basis; however, students who apply early will receive priority in scholarships, financial aid, and housing.

Requests for general information, brochures, catalogs, admissions CDs and DVDs, and application forms should be addressed to the Office of Admissions. Completed application forms and all supporting documents such as test scores, official high school transcripts and/or college and university transcripts, and a non-refundable \$40.00 application fee, should be forwarded to the Office of Admissions, PO Box 1510, Pembroke, NC 28372. The office may be reached by phone at (800) 949-UNCP or 910-521-6262. Students may contact the Office of Admissions through email at admissions@uncp.edu, and www.uncp.edu is the address for the UNC Pembroke home page. The fax number for the Office of Admissions is (910) 521-6497.

All new students, and all re-enrolling students who have been out of UNCP for one year, who plan to take 9 or more credit hours during their initial semester are required to complete a medical history form. This form may be obtained from the Office of Admissions and returned to Student Health Services prior to registering for classes.

NEW FRESHMEN

Applicants for the freshman class must be graduates of an approved or accredited high school or home school. Non-graduates must possess a high school equivalency certificate and present evidence of maturity and the potential to achieve success in a university environment.

An application for admission, a \$40 application fee, an official high school transcript, and SAT or ACT scores must be received before an application is considered complete, and the file must be

complete before an admission decision can be made. Students who are dual-enrolled at community colleges must also submit official transcripts of any college work. A predicted grade point average is computed on the basis of the high school class rank, GPA, and SAT or ACT scores for each applicant. The Admissions Policy requires one of three possible decisions for each applicant:

- * Applicants who have satisfactory high school records, appropriate SAT or ACT test scores, and who meet the minimum course requirements, including course selection and class rank, will be accepted for admission.
- * Applicants whose records and test scores do not meet the minimum requirements will be denied admission.
- * Applicants whose records and/or test scores meet many, but not all, of UNC Pembroke's regular admission standards may be offered admission to the University's summer College Opportunity Program. (A detailed description of this program is in the Special Programs section of this catalog.)

MINIMUM COURSE REQUIREMENTS (MCR) AT THE 16 UNIVERSITY OF NORTH CAROLINA CAMPUSES

The following courses will be required for admission, in addition to each UNC institution's specific requirements:

- * In *English*, four course units emphasizing grammar, composition, and literature;
- * In *foreign language*, two course units of language other than English (required of Dec. 2003 and later high school graduates);
- * In *mathematics*, four course units including algebra I, algebra II, geometry, and for December 2005 and later high school graduates, a higher level mathematics course for which algebra II is a prerequisite; or successful completion of three Integrated Mathematics courses and a course for which Integrated Mathematics 3 is a prerequisite:
- * In *science*, three course units including:
 - ** at least one unit in a life or biological science (for example, biology),
 - ** at least one unit in a physical science (for example, physical science, chemistry and physics) and
 - ** at least one laboratory course; and
- * In *social studies*, two course units including one unit in *U.S. history*, but an applicant who does not have the unit in *U.S. history* may be admitted on the condition that at least three semester hours in that subject be passed by the end of the sophomore year.

In addition, it is recommended that prospective students take one *foreign language course unit* and one *mathematics* course unit in the twelfth grade. Course units as defined in these requirements may include those high school level courses taken and passed by an applicant while enrolled as a high school student with all courses reflected on the high school transcript.

EXCEPTION POLICIES FOR NORMAL ADMISSIONS REQUESTS:

The Chancellor, with the recommendation of the Director of Admissions and the Vice Chancellor for Enrollment Management, may allow a Special Talent Waiver to a student who does not meet the UNC Minimum Course Requirements but has otherwise demonstrated promise for academic success, as measured by grades, class rank, SAT or ACT scores, when compared with other students admitted to the University.

TRANSFER STUDENTS

- * Students must submit a completed application for admission.
- * Students seeking to transfer from other collegiate institutions must furnish an official transcript from each institution attended. The transcripts must indicate a cumulative "C" (2.0) average on all work attempted prior to admission to UNC Pembroke. Courses satisfactorily completed at regionally accredited institutions are evaluated in terms of courses offered and academic programs available at UNCP.

- * An official high school transcript and a nonrefundable \$40 application fee are required.
- * The student must attain at least a grade of “C” (2.0) in a course in order for that course to be allowed for transfer credit. Grades from transferred courses will not count toward the student’s cumulative quality point average at UNC Pembroke, except for honors designation upon graduation.
- * Transfer applicants must submit a University Questionnaire completed by the last institution they attended which states that they are immediately eligible to return to the previous institution.
- * Transfer applicants who graduated from high school in the year 1990 and beyond must meet the minimum course requirements outlined in the previous section (See Minimum Course Requirements—MCR). For those students who do not meet these requirements, six (6) college transferable semester hours must be earned at an accredited college or university in the following areas—English, Math, Science, Social Science, Foreign Language—before admission is granted. Applicants 24 years old or older may be admitted as non-traditional freshmen or transfer students without meeting MCR.
- * Each transfer applicant must submit a completed health record before registering for classes.
- * All transfer students entering UNC Pembroke must attend a transfer orientation designed to acquaint the student with the academic, co-curricular, and social life of the University and to gather information to assist in the student’s academic advancement.

Because of differing admission requirements, transfer applicants who are candidates for teacher licensure degrees should refer to the admission requirements stipulated for the Teacher Education Program.

The classification of transfer students (freshman, sophomore, junior or senior) is determined by the number of transfer credit hours accepted by UNC Pembroke. The maximum transfer credit hours accepted from a two-year institution ranges from 60-64 semester hours. However, students who have attained junior status (60 semester hours) at a four-year institution will not be allowed to transfer additional credit completed after that time at a two-year institution. Students attending a four-year institution prior to attending a two-year institution may be limited in the total number of transferable credits allowed (See Graduation Requirements). Although there is no limit on credit hours accepted for a student who transfers from a four-year institution, a 30-hour residency is required to graduate from the University of North Carolina at Pembroke, and students must satisfy all UNC Pembroke degree requirements for their chosen major.

The Comprehensive Articulation Agreement, a statewide agreement governing the transfer of credits between N.C. community colleges and public universities in North Carolina, defines a 44-semester credit hour general education core and 20 semester credit hour pre-major in the AA or AS degree which is fully transferable to UNC Pembroke in courses with a minimum 2.0 GPA.

RE-ENROLLING STUDENTS

Students who have interrupted their course of study for at least one semester must apply for readmission through the Registrar’s Office. Students who are seeking readmission to UNC Pembroke after completing additional work at another institution must reapply through the Office of Admissions. Transcripts of any academic work completed in the interim at any other institution must be provided prior to approval for readmission, along with an application, \$40 application fee, and university questionnaire from the last school attended. Students who complete classes at another institution while they are suspended from UNCP will not be allowed to transfer any credit earned while under suspension.

SPECIAL READMISSION POLICY

Any former UNCP student who was academically suspended or placed on academic probation at the end of his/her final semester and has not attended any institution of higher education for a period of four (4) academic years may apply for readmittance under the Special Readmission Policy. All students admitted under this policy return on probationary status and must follow the policies

and procedures outlined under “Suspension and Readmittance” in the Academic Policies section of the UNCP catalog. In order to qualify for the Special Readmission Policy, students must earn a 2.0 or higher in their first 12 hours after being readmitted. Students may apply for readmittance under this policy one time. Once approved, the decision will not be reversed.

Upon meeting the requirements for this policy, the student’s QPA will be computed excluding all previous grades below C (2.0). All grades will remain on the student’s transcript, but only those previous courses in which a grade of C or better was earned will count toward graduation. All course work, however, will count toward attempted hours, and all grades, including those from the student’s previous QPA, will be calculated for honors purposes.

Students admitted under the Special Readmission Policy may not make use of the grade replacement policy and must continue to maintain a minimum QPA of 2.00. Failure to maintain this minimum QPA will result in a two-semester suspension.

Departments with more rigorous QPA standards than the general University requirement of 2.0 have the right to deny admission to a program. Any student under this policy must complete a minimum of 30 semester hours at UNCP after readmission in order to qualify for graduation.

Students must apply for the Special Readmission Policy through the Registrar’s Office.

INTERNATIONAL STUDENTS

Applicants from non-English-speaking countries must provide evidence of proficiency in the English language with their applications for admission to UNC Pembroke. Scores on the Test of English as a Foreign Language (TOEFL) or the Michigan Test are required. For students born in non-English-speaking nations but educated in senior high schools in the United States, scores on the SAT or ACT can substitute for scores on the TOEFL or the Michigan Test. Each student must submit official verification of financial resources sufficient to cover educational expenses. Certified translations by a licensed or professional translator must accompany academic documents not written in English. For transfer students, the Admissions Office requires that all international college transcripts be evaluated by an accredited transcript evaluation agency. The courses will need to be translated into the U.S. equivalencies. The international undergraduate admissions application and other information relevant to prospective international students may be accessed at www.uncp.edu/admissions/undergraduate/international.asp. It is preferred that all documents be sent to the Admissions Office six months prior to date of entry. All documents must be received and evaluated before an I-20 can be issued.

SPECIAL STUDENTS

Persons applying for admission as Special Students should meet the qualifications described in one of the following categories: Enrichment, Teacher Licensure/Renewal, Second Degree, Transient, Joint Enrolled, and Audit. A \$40 application fee may be required.

Enrichment: Applicants not enrolled in a degree program at another institution who wish to complete courses at UNC Pembroke for personal or professional enrichment may qualify for admission as special students. Such applicants must submit an application for admission, a \$40 application fee, and a final high school or college transcript. Students in this category cannot earn more than 15 semester hours. Continuation of enrollment in additional courses will require the approval of the Director of Admissions. These students enroll without entering degree programs, and they may not later become degree candidates unless they have been admitted as regular students. Students under academic suspension from any university are not eligible to enroll as special students.

Teacher Licensure/Renewal: Individuals who have a baccalaureate degree may be admitted to earn teacher licensure or take courses for renewal purposes. An application for admission, \$40 application fee, and a copy of the transcript reflecting the baccalaureate degree awarded must be submitted prior to admission to the University. In addition to applying to UNC Pembroke through the Admissions Office, individuals must also contact the Director of Teacher Education (and submit any additional required documentation) to design an individualized education plan. All licensure

candidates must meet the admission and retention standards of the Teacher Education Program and the National Teachers Examination requirements established by the State Board of Education. (See Teacher Education Program.)

Second Degree: Applicants who wish to enroll at the University to complete a second undergraduate degree must submit the application for admissions, a \$40 application fee, and transcripts from all colleges attended. (See Requirements for a Second Baccalaureate Degree.)

Transient Students: Transient students are students enrolled in a degree program at another college or university who qualify to study for one semester or summer session at UNC Pembroke and plan to transfer credits earned back to the institution at which they are pursuing a degree. To gain admission as transient students, applicants must be in good academic standing and be eligible to return to their parent institution. They must also have permission from their institution to study at UNC Pembroke. Transient students are not required to pay an application fee.

Joint Enrolled: The Joint Enrollment Program is designed for high school students who have excelled academically in high school and prove ready for college-level work. Students may register for no more than one course per semester while completing their high school curriculum, and they cannot take courses that are offered at their high school. Interested students must submit a special Joint Enrollment Application, an official high school transcript, SAT/ACT scores, and class rank. Permission must be granted from the student's high school principal or guidance counselor and the Director of Admissions, prior to admission as a Joint Enrolled student. An application fee is not required.

Audit: New students who plan to audit a course must submit an application for admission and a form from the Office of Academic Affairs with the approval of the appropriate professor(s) and the Associate Vice Chancellor for Academic Affairs.

AUDITING

All persons, whether regularly enrolled in the University or not, who desire to audit a course must secure the permission of the instructor and the Office for Academic Affairs. Audits may not be added to a student's schedule after the last day to add a class. The fee charged for auditing a course will be the same as if the course were taken for credit. Students who are regularly enrolled at the University must file a copy of the permission letter from the Office for Academic Affairs with the instructor at the beginning of the course. Audited classes are listed on the permanent record and are designated by the letters "AU." Class participation by and requirements of auditors are at the discretion of the instructor.

GRADUATE ADMISSIONS

Inquiries concerning graduate admissions should be directed to the Dean of Graduate Studies. Admissions requirements are stated in the School of Graduate Studies section of this catalog.

DEGREE COMPLETION PROGRAM FOR MILITARY PERSONNEL

UNC Pembroke provides educational programs for veterans, active military personnel, and retired military personnel who wish to continue their career development in higher education and to complete an educational program leading to a college degree. The University is a CONAP participant and SOC member.

In recognition of the educational experience gained by military personnel in their regular training, in service school courses, in USAFI or DANTEs courses, and through the College Level Examination Program (CLEP), UNC Pembroke will accept transfer credit toward a Bachelor of Arts or Bachelor of Science degree.

- * Men or women who have served one or more years in the armed services will be awarded two semester hours credit for each year of service, up to 12 semester hours of credit, as elective credit. In addition, military members will receive credit for physical education courses. A copy of the student's DD-214 form must be submitted with the application in order to receive credit.

* Credit may be awarded for service school courses comparable to those offered by UNC Pembroke. The amount of credit granted will be according to the recommendations of the American Council on Education as listed in the most recent edition of *A Guide to the Evaluation of Educational Experiences in the Armed Services*. These recommendations are evaluated in terms of courses offered and curriculum accepted at UNC Pembroke.

* Credit may be granted for work completed with an acceptable rating in USAFI courses that are parallel to courses offered at the University, provided a transcript of the work is sent directly to the Director of Admissions.

* Credit may be earned through the College Level Examination Program (CLEP).

In addition to the special provision for granting credit to military personnel for their educational experience, the University will accept transfer credit toward a Bachelor's degree:

- 1.) All transferable work completed in residence at accredited senior institutions of higher education provided the student has an overall cumulative quality point average of 2.0;
- 2.) Up to 64 semester hours of work completed in a two-year college provided the student has an overall cumulative quality point average of 2.0;
- 3.) Up to 24 semester hours of work completed through correspondence and/or extension courses from regionally accredited institutions (with no more than 12 semester hours by correspondence). Work completed in courses offered by UNC Pembroke's Continuing Education Division at cooperating technical institutes is not counted as extension work.

COLLEGE LEVEL EXAMINATION PROGRAM

UNC Pembroke participates in the College Level Examination Program (CLEP) and accepts CLEP examinations which measure mastery of college-level, introductory course content in a variety of subject areas. Students meeting the credit-granting score on CLEP General Examinations and/or Subject Examinations may earn up to 30 semester hours of college level credit. Transfer students may

earn credit through prior CLEP exams provided the following criteria are met: 1) their scores must meet UNCP's credit-granting standards, 2) their scores must be sent to the UNCP Admissions Office, and 3) their exams must be among those listed below. CLEP credit will not be granted for previously failed courses.

UNCP awards General Education CLEP credit towards General Education for successful completion of any of the four **CLEP General Examinations** as outlined below. Successful completion is defined as earning a score of 50 or above (500 or above prior to 7/01). These examinations may be taken prior to entering UNCP, but no later than the first semester in residence.

CLEP General Examination	Semester Hours	UNCP Course Equivalent
English Composition	3	ENG 105*
Humanities	6	ART 205 and MUS 102
Mathematics	3 or 6	MAT 105 and MAT 107*
Natural Sciences	6	BIO 100 and PHS 110

* Departmental exam also required.

CLEP Subject Examinations may be taken prior to or during the student's enrollment with the following exception: no CLEP examination credit will be accepted during the final 25 percent of a student's course work. Successful completion of each subject examination earns three to eight semester hours of credit and may exempt the student from certain General Education (as defined below) or major requirements. In some cases, only general elective credit will be awarded. Effective July 2001, the minimum credit-granting score for all CLEP Subject examinations will be 50.

PART-TIME STUDENTS

A part-time student is a student who is regularly admitted to UNC Pembroke and is registered for less than 12 semester hours of course work in a Fall or Spring Semester.

Students in a part-time status taking seven or more semester hours are charged all fees; activity and tuition charge is based on the number of semester hours taken. Part-time students taking four to six semester hours will pay a reduced student activity fee.

UNIVERSITY HONORS COLLEGE

The University Honors College is designed to recognize outstanding students and to promote the scholarly growth of the students selected for the program by providing interdisciplinary educational opportunities that enhance the general curriculum. These opportunities are developed around

a learning community of honors students and include selected general education courses, small interdisciplinary seminars, cultural and service programs, and shared residential facilities with other honors students. The University Honors College offers an intellectually stimulating social environment; greater curricular flexibility; more personal contact and scholarly discussion with students and faculty from the various disciplines; and closer interaction with individual faculty members in the College. Each University Honors College student prepares a senior project under the supervision of a faculty mentor. For program description, see Special Programs.

Program participants are selected on the basis of class rank, high school grades, Scholastic Aptitude Test (SAT) scores or American College Testing (ACT) scores, and extra-curricular and community achievements. University Honors College students are appointed by the Dean of the University Honors College upon the recommendation of the Honors Council.

COLLEGE OPPORTUNITY PROGRAM

The College Opportunity Program is designed to admit a limited number of students who meet most, but not all, of The University of North Carolina at Pembroke's regular admission standards. Students are selected on the basis of high school academic record, scholastic standing in the high school graduating class, and SAT or ACT scores. The application for admission should be filed as early as possible.

Students enter the College Opportunity Program in the summer for a five-week session, which includes freshman testing and courses designed to develop academic skills which will be necessary for the Fall Semester. Students who successfully complete these summer courses are then eligible to continue in the Fall Semester. In the Fall and Spring Semesters, the student is allowed to register for 15 hours of academic courses. In addition, students meet regularly with the COP advisor for academic counseling. Students who meet the University's academic eligibility requirements and have successfully completed the College Opportunity Program (made a "C" or better in both ENG 105 and ENG 106) then continue at the University as other regularly admitted students.

TUITION AND FEES

Tuition and all fees are due and payable in full by registration day for each semester or summer term. Please make checks or money orders payable to the University of North Carolina at Pembroke. A returned check charge of \$25 will be levied on each returned check.

It is the policy of the administration and trustees to keep the cost of a college education as low as possible. Since UNC Pembroke is maintained by the people of North Carolina for the education of residents of the State, it is available to them at less cost than to nonresidents. The residency status of each student is determined at the time of original admission. (See below for further information on residency status.) Registration for any semester or session may not be completed until all special or extra fees, fines, payments for lost or damaged articles, etc., incurred in the previous semester or session, have been paid; no transcript nor record will be issued until all fees/fines owed have been paid.

Tuition Surcharge on Undergraduates

The North Carolina Legislature directed the Board of Governors to impose a twenty-five percent tuition surcharge on students who take more than 140 credit hours to complete a baccalaureate degree in a four-year program or more than one hundred ten percent (110%) of the credit hours necessary to complete a baccalaureate degree in any program officially designated by the Board of Governors as a five-year program. The calculation of these credit hours taken at a constituent institution or accepted for transfer shall exclude hours earned through the College Board's Advanced Placement or CLEP examinations, through institutional advanced placement or course validation, or through summer term or extension programs.

No surcharge shall be imposed on any student who exceeds the degree credit hour limits within the equivalent of four academic years of regular term enrollment, or within five academic years of regular term enrollment in a degree program officially designated by the Board of Governors as a five-year program.

The undergraduate credit hours to be counted for calculation in the surcharge requirement include:

- * all regular session degree-creditable courses taken at this institution including repeated courses, failed courses and those dropped after your official census date (normally the last date to add a course); and
- * all transfer credit hours accepted by this institution.

The hours excluded from the calculation include:

- 1) those earned through the College Board's Advanced Placement (AP) and College Level Examination Program (CLEP) or similar programs;
- 2) those earned through institutional advanced placement, course validation, or any similar procedure for awarding course credit, and
- 3) those earned through the summer session or degree-credit extension division on this campus or at another UNC institution.

A completed withdrawal form must be filed with Student Accounts Office in the Controller's Office. Forms for withdrawal during the first six weeks of the semester, the first 9 calendar days of first, second, and special five-week summer sessions, and the first 6 calendar days of intra sessions may be obtained from the Registrar's Office. After these times, forms may be obtained from the Office for Academic Affairs.

Reducing Hours

Students who officially drop from full-time to part-time status or those who drop to a lower block of credit hours will receive a refund equal to the difference between the amount paid and the charge for the block of hours for which the student is officially registered at the end of the registration (drop/add) period.

Refunds for withdrawing or reducing hours will be processed after the registration period. Please allow two weeks for processing of any refund. Students receiving financial aid will not receive a refund until the Financial Aid Office determines if any funds from an awarding agency must be returned. If a return is required, withdrawal may result in a student liability to the University.

B. ROOM DEPOSIT

The University will refund all but \$25 of the room deposit to incoming new students if written cancellation is received by August 1 preceding the fall semester and December 1 preceding the spring semester. The room deposit is non-refundable after these deadlines.

The \$125 room deposit (less damages and /or any other financial obligations owed The University of North Carolina at Pembroke) will be refunded to established residents provided the resident submits written cancellation by November 15 preceding the spring semester and by April 15 preceding the fall semester. Established residents must follow check-out procedures as detailed in the Student handbook to ensure an appropriate refund of the room deposit.

If a student withdraws from the University prior to mid-semester, the room deposit will be forfeited. If a student withdraws after mid-semester, the room deposit (less damages if any) will be refunded, provided checkout procedures have been followed.

RESIDENCE STATUS FOR TUITION PURPOSES

The basis for determining the appropriate tuition charge rests upon whether a student is a resident or a nonresident for tuition purposes. Each student must make a statement as to the length of his or her residence in North Carolina, with assessment by the institution of that statement to be conditioned by the following.

Residence

To qualify as a resident for tuition purposes, a person must become a legal resident and remain a legal resident for at least twelve month immediately prior to classification. Thus there is a distinction between legal residence and residence for tuition purposes. Furthermore, twelve months legal residence means more than simple abode in North Carolina. In particular it means maintaining a domicile (permanent home of indefinite duration) as opposed to “maintaining a mere temporary residence or abode incident to enrollment in an institution of higher education.” The burden of establishing facts which justify classification of a student as a resident entitled to in-state tuition rates is on the applicant for such classification, who must show his or her entitlement by the preponderance (the greater part) of the residency information.

Initiative: Being classified a resident for tuition purposes is contingent on the student’s seeking such status and providing all information that the institution may require in making the determination.

Parent’s Domicile

If an individual, irrespective of age, has living parent(s) or a court-appointed guardian of the person, the domicile of such parent(s) or guardian is, prima facie, the domicile of the individual; but this prima facie evidence of the individual’s domicile may or may not be sustained by other information. Further, nondomiciliary status of parents is not deemed prima facie evidence of the applicant child’s status if the applicant has lived (though not necessarily legally resided) in North Carolina for the five years preceding enrollment or re-registration.

Effect of Marriage

Marriage alone does not prevent a person from becoming or continuing to be a resident for tuition purposes, nor does marriage in any circumstance insure that a person will become or continue to be a resident for tuition purposes. Marriage and legal residence of one's spouse are, however, relevant information in determining residency intent. Furthermore, if both husband and his wife are legal residents of North Carolina and if one of them has been a legal resident longer than the other, then the longer duration may be claimed by either spouse in meeting the twelve-month requirement for in-state tuition status.

Military Personnel

A North Carolinian who serves outside the State in the armed forces does not lose North Carolina domicile simply by reason of such service. Students from the military may prove retention or establishment of residence by reference, as in other cases, to residency acts accompanied by residency intent. In addition, a dependent relative of a service member stationed in the state is eligible to be charged the in-state tuition rate while the dependent relative is living in North Carolina with the service member and if the dependent relative has met any requirement of the Selective Service System applicable to the dependent relative. These tuition benefits may be enjoyed only if the applicable admission requirements have been met; these benefits alone do not provide the basis for receiving those derivative benefits under the provisions of the residence classification statute reviewed elsewhere in this summary. To be considered, the student must submit a Military Waiver Form.

Grace Period

If a person (1) has been bona fide legal resident, (2) has consequently been classified a resident for tuition purposes, and (3) has subsequently lost North Carolina legal residence while enrolled at a public institution of higher education, that person may continue to enjoy the in-state rate for a grace period of twelve months measured from the date on which North Carolina legal residence was lost. If the twelve months end during an academic term for which the person is enrolled at a State institution of higher education, the grace period extends to the end of that term. The fact of marriage to one who continues domiciled outside North Carolina does not by itself cause loss of legal residence, marking the beginning of the grace period.

Minors

Minors (persons under 18 years of age) usually have the domicile of their parents, but certain special cases are recognized by the residence classification statute in determining residence for tuition purposes.

If a minor's parents live apart, the minor's domicile is deemed to be North Carolina for the time period(s) that either parent, as a North Carolina legal resident, may claim and does claim the minor as a tax dependent, even if other law or judicial act assigns the minor's domicile outside North Carolina. A minor thus deemed to be a legal resident will not, upon achieving majority before enrolling at an institution of higher education, lose North Carolina legal residence if that person (1) upon becoming an adult "acts, to the extent that the person's degree of actual emancipation permits, in a manner consistent with bona fide legal residence in North Carolina" and (2) "begins enrollment at an institution of higher education not later than the fall academic term next following completion of education prerequisite to admission at such institution."

If a minor has lived for five or more consecutive years with relatives (other than parents) who are domiciled in North Carolina and if relatives have functioned during this time as if they were personal guardians, the minor will be deemed a resident for tuition purposes for an enrolled term commencing immediately after at least five years in which these circumstances have existed. If under this consideration a minor has deemed to be a resident for tuition purposes immediately prior to his or her eighteenth birthday, that person on achieving majority will be deemed a legal resident of North Carolina of at least 12 month's duration. This provision acts to confer in-state tuition status even in the face of other provisions of law to the contrary; however, a person deemed a resident of 12 months

duration pursuant to this provision continues to be a legal resident of the State only so long as he or she does not abandon North Carolina domicile.

Lost, but Regained Domicile

If a student ceases enrollment at or graduates from an institution of higher education while classified a resident for tuition purposes and then both abandons and reacquires North Carolina domicile within a 12-month period, if he or she continues to maintain the reacquired domicile into re-enrollment at an institution of higher education, may re-enroll at the in-state tuition rate without having to meet the usual 12-month durational requirement. However, any one person may receive the benefit of this provision only once.

Change of Status

A student admitted to initial enrollment in an institution (or permitted to re-enroll following an absence from the institutional program which involved a formal withdrawal from enrollment) must be classified by the admitting institution either as a resident or as a nonresident for tuition purposes prior to actual enrollment. A residence status classification once assigned (and finalized pursuant to any appeal properly taken) may be changed thereafter (with corresponding change in billing rates) only at intervals corresponding with the established primary divisions of the academic year.

Transfer Students

When a student transfers from one North Carolina public institution of higher education to another, he or she is treated as a new student by the institution to which he or she is transferring and must be assigned an initial residence status classification for tuition purposes.

FINANCIAL AID

The primary role of the Financial Aid Office, located on the second floor of Lumbee Hall, is to provide financial aid as well as financial counseling to students requesting these services. This office coordinates a variety of State, Federal, private and institutionally funded aid programs, each with different regulations and requirements. While most of these programs require students to demonstrate financial need, there are loan funds available to help students and parents which are not need based. All students requesting consideration for any type of financial aid, including loans, must apply each year. The application, "Free Application for Federal Student Aid," should be completed, listing the University of North Carolina at Pembroke as the school of choice, and mailed in the envelope attached to the application. These applications are available in all high school guidance offices and the Financial Aid Office. The application should be mailed by March 15 to allow time for processing so awards can be made before Fall Registration.

To be eligible for financial assistance a student must have a high school diploma or GED; be enrolled as a regular student in an eligible program; be a U.S. Citizen or eligible non-citizen; generally, have a social security number; make satisfactory academic progress; register with the Selective Service, if required; and, not be in default on any federal loan or owe a refund on a federal grant. In addition, a transfer student must submit to the Financial Aid Office a completed Financial Aid Transcript from each institution previously attended. Financial aid is awarded on the basis of academic achievement and demonstrated financial need. The first responsibility of financing a student's education rests with the student and the student's family. A student's parents are expected to contribute towards his or her expenses insofar as they are able from income and assets. A student is expected to provide funds for his or her own education through savings, summer work, and other resources. Each student is individually considered on the basis of the family financial situation.

A Financial Aid Brochure which explains in detail the financial aid programs at UNC Pembroke is available in the Financial Aid Office.

SCHOLARSHIPS, AWARDS, GRANTS, LOANS

SCHOLARSHIPS

Scholarships, including endowed scholarships, are provided by donors to the University: Friends, alumni, corporations and foundations have provided funds to aid students in the pursuit of academic achievement. A wide range of scholarships is available, some with specific restrictions. Scholarships and endowed scholarships are available in these categories:

- Alumni Sponsored Scholarships
- General Scholarships
- Departmental Scholarships
- Specialized Scholarships

For application information, a student is encouraged to contact the Office of Financial Aid or the Chair of the Department in his or her major field.

For a complete listing of scholarships and awards, see Appendix B.

For further information about specific scholarships, their donors, and their honorees, please consult the Office of Advancement.

AWARDS

Special awards are presented to recognize outstanding graduating seniors. Currently there are awards in the Social Work Program and the Teaching Fellows Program.

GRANTS

Grants are provided by state and national agencies.

North Carolina Grants

Funds for grants allocated by the North Carolina Legislature are made available on an annual basis to residents of North Carolina in attendance at UNC Pembroke. These grants vary in amount according to students' demonstrated need.

Federal Pell Grants

This program is for students who have financial need. The U.S. Government fixes the amount of financial assistance a student may receive under the Pell Grant Program on the basis of need. These grants are awarded upon enrollment in good standing in an institution of higher education. Applications are available in the University's Financial Aid Office and any high school guidance counselor's office. To apply for a Pell Grant a student must complete the Free Application for Federal Student Aid. A Student Aid Report will be sent to the student's home address.

Federal Supplemental Educational Opportunity Grants

The purpose of this program is to provide Supplemental Educational Opportunity Grants to students who have demonstrated exceptional need and who would be unable to enter or remain in college without such assistance. Recipients must show academic or creative promise. The grant may be renewed for each year of undergraduate study for a period of up to four years if the student continues to qualify for assistance. Students must reapply each year.

North Carolina Student Incentive Grant Program

This program is administered by College Foundation, Inc. Funds are provided to the Foundation by the North Carolina State Education Assistance Authority under the 1965 Higher Education Act, as amended, from state and federal appropriations. Repayment may be extended over a period of ten years as long as a minimum repayment of \$40 per month or \$120 per quarter is made.

Loans are made to entering freshmen and transfer students who are enrolled as regular students and to returning students who are in good academic standing and who can demonstrate financial need. The Perkins Loan program is funded by the federal government.

Federal Stafford Loan Program

Subsidized: Based on financial need, these are low-interest loans made by lenders such as banks, credit unions or savings and loan associations and insured by state guaranty agencies. Loan limits are based on need and grade level.

Non-Subsidized: These loans are not based on need. Interest accrues to the borrower beginning on the date of disbursement by the lender. The borrower is responsible for the interest during in-school and deferment periods.

N.C. State Scholarship Loan Fund for Prospective Teachers

Students desiring loans of this type should make applications to the North Carolina State Department of Public Instruction, Raleigh, North Carolina. This fund provides as much as \$2500 per year in financial aid for a prospective teacher. Repayment of the loan is canceled for recipients who teach four years in North Carolina public schools.

ROOM AND BOARD

STUDENT HOUSING

At UNCP, housing is an integral part of the educational program. Campus housing is considered to be more than merely a place to sleep; it is “home” for many students. The University’s aim is to provide housing that offers an environment conducive to studying and to provide an opportunity for each student to develop socially and academically. Especially mature, well-qualified students are employed as Resident Advisors. RAs have many duties; however, one of their primary duties is to extend the services of the Counseling and Testing Center into each room.

Campus housing is located within walking distance of all campus facilities including classrooms, library, cafeteria, snack bar, student center, bookstore, post office, and recreational facilities. A wide selection of campus recreational facilities and programs is available to all students. Students are encouraged to become involved in the different activities and student organizations on campus.

A Housing Agreement/Application must be completed by all students entering UNCP who request to live on campus. An application can be obtained from the Housing Office which is located in Student Affairs, Suite 242, on the second floor of Lumbee Hall or by writing to the Housing Office, The University of North Carolina at Pembroke, P.O. Box 1510, Pembroke, NC 28372-1510. This application and a \$125 deposit must be on file before a room assignment can be considered. All students moving into campus housing must have paid room and board fees before keys can be issued to rooms. Neither returning students nor new students will be guaranteed a specific roommate, a specific room, or a specific assignment.

SUMMER HOUSING

Room and Board are available during both terms of the Summer Session. An application and a \$125 deposit must be on file before an assignment can be made.

SODEXHO FOOD SERVICE

Customer meal plans are not transferable under any circumstances, and each student must present his/her UNCP Braves One Card each time of entry into the cafeteria. No one but the owner can use the Braves One Card.

Braves One Cards are made in the UNCP Braves Card Office, located in Suite H, Jacobs Hall. Meal blocks for Braves One Cards must be paid for in advance of their issuance. Payment will be made to the University Cashier. Students who lose their Braves One Card must pay a \$20 replacement fee for reissuance of cards.

Munch Money may be added to the Braves One Card at the University Cashier's Office or the Braves Card Office. The Braves One Card may then be used for Debit Card purchases in Bert's Cafe or in the cafeteria.

All meal plans are valid seven days a week, except summer session.

STUDENT SERVICES AND POLICIES

COUNSELING AND TESTING CENTER

Counseling services are provided for UNCP students without cost. A variety of assessment instruments are used to explore personality type and patterns of behavior. Students who are experiencing personal difficulties are encouraged to utilize these services.

The Counseling and Testing Center, telephone # 910-521-6202, is located on the second floor, Room 243, of the James B. Chavis University Center. The Center is staffed by professional counselors. All registered students taking nine (9) or more credit hours are required to purchase the student injury and sickness insurance plan, with the following exception: students who submit evidence of equivalent coverage satisfactory to the policyholder may waive coverage.

MEDICAL HISTORY AND IMMUNIZATIONS

N.C. Law requires that each student provide proof of immunizations. Any student who does not have the mandated immunizations and/or does not furnish the required medical statement within thirty (30) days of the first day of class will be withdrawn from classes. The University has no authority to waive these requirements and/or give extension on the thirty (30) day time limit. A medical history form, which includes the required immunization documentation, should be returned as part of the admission requirement prior to registration. This form must be completed by the student and on file with Student Health Services. The director and nurses on duty are available to assist students in completing the necessary immunizations. This law applies to all students except the following: students registered only in off-campus courses; students attending night or weekend classes only; and students taking a course load of four (4) credit hours or fewer and residing off campus.

CAREER SERVICES CENTER

The Career Services Center is located in the James B. Chavis University Center, Room 210. The Center's purpose is to assist students and alumni with career planning and the job search. MULTICULTURAL AND MINORITY AFFAIRS

The Office of Multicultural and Minority Affairs (OMMA) provides leadership and advocacy to support cultural diversity and to prepare students to interact in a diverse world. The OMMA strives to provide programs and services that support the academic mission of the University by enhancing the educational, personal, cultural, and social development of diverse and ethnic minority student populations. International Student Services falls within OMMA. As an agent of change, OMMA seeks to value cultural diversity in order to promote an empowered society. The OMMA is in the business of ensuring that every UNCP minority and international student is equipped and linked to the right resources and services that the University and community at large have to offer. The OMMA is located on the 1st floor of Old Main, in the Multicultural Center, Room 132. The staff of OMMA welcomes all students to participate in the programs, resources, and services offered.

MULTICULTURAL CENTER

The Multicultural Center is open to the entire campus community and exists to promote opportunities that will educate, embrace, and celebrate global diversity awareness. The Center offers changing exhibits showcasing the unique qualities of a variety of cultures. Exhibits will represent a vast array of various cultures from different communities of interest. A computer lab resides in the Center for students to utilize. The Center serves as a resource for minority students by providing academic and personal advisement, as well as cultural and social programs/activities designed to facilitate adjustment to student life at The University of North Carolina at Pembroke. Additional services include orientation programs, regional travel, and social opportunities. The Center is also available for scheduled meetings of student, faculty, and staff groups.

DISCIPLINE

The University of North Carolina at Pembroke is an institution for the education of men and women who expect to take their places as responsible, trustworthy citizens of their country. It takes for granted that students will not be guilty of improper conduct.

The aim of all discipline is two-fold: first, to develop self-control in the individual; and second, to protect the welfare of society. Students who cannot or will not comply with rules governing the student body are subject to dismissal. The institution reserves the right to decline to register students whose past record is such as to indicate moral, scholastic, or general conduct unfitness.

All students are expected to observe the rules and live by the general codes of conduct as stated above and enumerated in the *Student Handbook*. Students living on campus are expected to observe special rules applicable to resident students. Conduct unbecoming a student at The University of North Carolina at Pembroke will not be tolerated.

THE UNIVERSITY OF NORTH CAROLINA AT PEMBROKE DRUG POLICY

I. Introduction

The University is dedicated to providing a work, study, and recreational environment that does not include illegal drugs, abuse of prescription medications, or excessive use of alcohol. All students, staff, faculty, and guests are viewed by the University as individually responsible and legally accountable for their actions. The illegal possession, sale or use of drugs, including alcohol, adversely affects the academic community. Toward that end, the University notifies in writing, the parents of students under the age of 21 of such offenses.

The University has developed drug education, prevention, and intervention programs. Members of the University community are encouraged to become familiar with the programs and are invited to take advantage of the services provided.

II. Alcohol/Drug Education Programs

A. Alcohol Drug Abuse Prevention Team (ADAPT)

ADAPT was initiated in 1988 to provide all members of the University community with coordinated drug-related education, prevention, and intervention services. The term “drugs” includes both legal drugs (i.e., alcohol, prescription medications, over-the-counter medications, nicotine, caffeine, etc.) and illegal drugs as covered by the Controlled Substance Act (N.C.G.S. 90-88 et. seq.). ADAPT defines its mission as prevention, intervention, and education concerning the use and/or abuse of alcohol and other drugs.

A staff member of the Counseling and Testing Center serves as chairman of ADAPT. The team represents a cross-section of the University and local community. The chairman prepares an annual report for the Chancellor.

ADAPT activities encourage individuals to:

- Value and maintain sound health.
- Respect state/federal laws and University regulations.

III. Institutional Policy on Drugs

The illegal possession, sale, or use of drugs, including alcohol, will not be tolerated at the University. Violation will result in sanctions which may include dismissal from employment or the termination of student status. The University may impose sanctions if it is proven by a *preponderance of evidence* that a violation has occurred. Employees and students are subject to federal, state, and local laws as well as University rules and regulations. Members of the University community are not entitled to greater immunities or privileges before the law than those enjoyed by other citizens generally. Although the University reserves the right to impose more severe sanctions for any violation of its Drug Policy as circumstances may warrant, the following are the minimum penalties that may be imposed for particular offenses.

A. Abuse of Prescription and/or Over-the-counter Medications

The abuse of legal medications can lead to serious health complications for the user. Abuse of some medications can also lead the individual to exhibit behavior which is dangerous to self and others. The University strongly supports efforts of individuals to change maladaptive behavior and offers services through both the Counseling & Testing Center and the Student Health Services. Continued abuse and disruptive behavior may result in disciplinary action.

B. Alcohol Possession and/or Consumption Regulations

1. Programs exist on campus to assist persons of legal age in making informed choices concerning alcohol.
2. Students of legal age are permitted to possess and consume beer, unfortified wine, fortified wine, spirituous liquor, and mixed beverages only within the confines of their residence hall rooms.
3. A student, age 21 or older, is permitted to carry in and consume beer (limit 72 oz.), unfortified wine (limit 30 oz.), or wine coolers (limit 60 oz.) with 17% or less alcohol content at the annual semi-formal Homecoming Dance. The sharing of alcoholic beverages during the dance is prohibited. Violators will be dismissed from the Homecoming Dance and will be subject to disciplinary action. Spirituous liquor and fortified wine (more than 17% alcohol, e.g., sherry or brandy) are prohibited at the Homecoming Dance. Individuals may be prohibited from bringing in alcohol, if it appears that they have consumed alcoholic beverages prior to the dance.
4. Student possession and/or consumption of any alcoholic beverage is prohibited at any location except as indicated in Section III, Subsection B, 2 and 3 of this Drug Policy.
5. Alcoholic beverages may be used only as a complement to an event, not as a main focus. Event sponsors must provide a proportionate amount of non-alcoholic beverages.
6. Student fees cannot be used to purchase alcohol.
7. Kegs are not permitted on campus. Kegs brought onto campus will be seized as contraband by the Campus Police and the contents destroyed. Kegs may be retrieved with proof of ownership when the student is prepared to remove them from campus. The Chancellor of The University of North Carolina at Pembroke reserves the right to approve the use of alcoholic beverages (including kegs or beer) at special functions, provided appropriate permits are obtained from the North Carolina Alcoholic Beverage Control Commission.
8. For offenses involving the illegal possession, consumption or excessive use of alcohol requiring the involvement of Campus Police and the Office of Student Affairs, sanctions shall be determined on a case-by-case basis. Offenders shall be required to participate in a drug education and/or counseling program at their cost (currently \$50). Failure to comply with the terms of sanctions imposed and/or the drug education required may result in suspension from the University.
9. Repeat offenders will be required, at their own cost (currently \$100), to participate in

additional education and counseling, and progressively more severe sanctions will be imposed. Repeat offenders risk being suspended from the University.

10. Campus mandatory drug education/counseling must be completed within 40 days of the initial referral; if not, the student must complete an approved off-campus drug education/counseling program at his/her expense BEFORE being permitted to register for future classes or graduate. Failure to keep campus drug education/counseling appointments will result in a \$25 fee for each missed appointment.
11. Guests in violation of this Drug Policy shall be required to leave campus and could face additional sanctions, including arrest. Students who have guests on campus are responsible for their guests at all times and will be held accountable for each guest's actions.

C. Illegal Possession of Drugs and/or Paraphernalia

1. For a first offense involving the illegal possession or use of any controlled substance identified in Schedule I, N.C. General Statutes 90-89, or Schedule II, N.C. General Statutes 90-90, the minimum penalty shall be suspension from enrollment or from employment for a period of at least one semester or its equivalent.
2. For a first offense involving the illegal possession or use of any controlled substance identified in Schedules III through IV, N.C. General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, rohypnol, phenobarbital, codeine) and/or the possession of drug paraphernalia, the minimum penalty shall be probation, for a period to be determined on a case-by-case basis and mandatory participation in a drug education/counseling program. Refusal or failure to abide by the terms of probation shall result in suspension from enrollment or from employment for any unexpired balance of the prescribed period of probation. In addition, a person on probation must agree to participation in a drug education and counseling program, at the cost of the offender (currently \$100), consent to regular drug testing at his or her cost, and accept such other conditions and restrictions, including a program of community service, as the Chancellor or the Chancellor's designee deems appropriate. This does not preclude criminal action from being initiated.
3. Students' participation in illegal drug activity off campus may be sanctioned on campus when a nexus to that activity exists on campus. Such activities may include but are not limited to drug testing results for internship participation or athletic requirements. Athletes referred directly by the athletic director for NCAA regulation violations do not incur the above fees, but are subject to the missed appointment fee.
4. Campus mandatory drug education/counseling must be completed within 40 days of the initial referral; if not, the student must complete an approved off-campus drug education/counseling program at his/her expense BEFORE being permitted to register for future classes, transfer, or graduate. Failure to keep campus drug education/counseling appointments will result in a \$25 fee for each missed appointment. This fee applies to all referred offenders from campus police, student affairs, and athletics.
5. For second or other subsequent offenses involving controlled substances, the minimum penalty shall be suspension for a period to be determined on a case-by-case basis; more severe penalties may be imposed, including expulsion of students and discharge of employees. To be readmitted after a suspension, the student (at his/her own expense) must submit documentation of multiple negative drug tests over a period of time.
6. Section 483 of the Federal Higher Education Amendments of 1998 states: "A student who has been convicted of any offense under Federal or State law involving the possession or sale of a controlled substance SHALL NOT BE ELIGIBLE TO RECEIVE ANY GRANT, LOAN, OR WORK ASSISTANCE under this title during the period beginning on the date of such conviction" and lasting for one year, two years, or indefinitely, depending on the offense.

D. Trafficking in Illegal Drugs

1. For the illegal manufacture, sale or delivery, or possession with intent to manufacture, sale or deliver, any controlled substance identified in Schedule I, N.C. General Statutes 90-89 or Schedule II, N.C. General Statutes 90-90 (including, but not limited to, heroin, mescaline, lysergic acid diethylamide, opium, cocaine, amphetamine, methaqualone) any student shall be expelled and any employee shall be discharged.
2. For a first offense involving the illegal manufacture, sale or delivery, or possession with intent to manufacture, sale or deliver, any controlled substance identified in Schedules III through IV, N.C. General Statutes 90-91 through 90-94, (including, but not limited to, marijuana, rohypnol, phenobarbital, codeine) the minimum penalty shall be suspension from enrollment or from employment for a period of at least one semester or its equivalent. For a second offense, any student shall be expelled and any employee shall be terminated.

E. Hazing

1. The North Carolina General Statute (14-35) defines hazing as follows: “to subject another student to physical injury as part of an initiation, or as a prerequisite to membership, into any organized school group.”
2. Hazing violations involving drugs and/or alcohol will be required to participate in the campus mandatory drug education/counseling program as well as incur all costs associated with the program.

F. Suspension Pending Final Disposition

A student, faculty member, administrator, or other employee charged with a Drug Policy violation may be suspended from enrollment or employment before initiation or completion of regular disciplinary proceedings if, assuming the truth of the charges, the Chancellor or his designee concludes that the person’s continued presence would constitute a clear and immediate danger to the health or welfare of any member of the University community. When a suspension is imposed, an appropriate hearing of the charges against the person suspended shall be held as promptly as possible.

G. Penalties

Students, faculty, and staff are subject to all local, state, and federal laws relating to drug use and possession. Action on the part of the University is based upon its right to carry out its appropriate mission and is not designed to be merely punitive. University action is not dependent upon and does not preclude criminal or civil action in the courts.

Penalties will be imposed by the University in accordance with procedural safeguards applicable to disciplinary actions against students, faculty members, administrators, and other employees, as required by Section 502 D(3) and Section 603 of the University Code; by the Board of Governors policies applicable to other employees exempt from the State Personnel Act; and by regulations of the State Personnel Commission. Faculty should refer to Section 3-4, “Due Process Before Discharge or The Imposition of Serious Sanctions” and Appendix H in the *Faculty Handbook*. Students should refer to the “Student Government Association Constitution” in the *Student Handbook*, Article IV, “The University Hearing and Appeal System.” State Personnel Act employees should refer to the *NC Personnel Manual* (located in Human Resources Office), Section 9, “Disciplinary Action, Suspension and Dismissal.”

IV. Health Risks of Psychoactive Drugs

All psychoactive drugs (including alcohol) can produce negative health risks associated with long-term chronic use. Some, but not all, related health risks are listed below.

Alcohol: (medically classified as a depressant) Central nervous system depression, impaired judgment, liver damage, malnutrition, pancreatitis, lowered immunities, and severe birth defects in babies whose mothers used alcohol during pregnancy. An overdose may result in a coma and death.

Cocaine: Anxiety, insomnia, paranoia, perforation of the nasal septum, seizures, cardiac arrest.

Depressants: (e.g., Librium, Xanax, Valium) Central nervous system depression, staggering gait, visual disturbances, lethargy, dizziness, and nausea or death.

Hallucinogens: (e.g., LSD, PCP, and hallucinogenic mushrooms) Visual distortions, increased heart rate and blood pressure, psychotic episodes, panic disorders, and flashbacks.

Inhalants: Nausea, headaches and perceptual distortions. Permanent damage to bone marrow, lungs, liver and kidneys and a risk of lung or cardiac arrest with initial or repeated use.

Marijuana: Increased heart rate, lowered body temperature, impaired coordination, appetite stimulation, weakened immune system, increased risk of throat/lung cancer, and speech/memory/learning distortions. Long term use may result in short term memory loss, amotivational syndrome, and reproductive system abnormalities.

Narcotics: (e.g., codeine, heroin, morphine) Shallow breathing, reduced sex drive, apathy, anxiety, mood swings, nausea, and respiratory depression. An overdose may induce a coma, convulsions, respiratory arrest or death.

Rohypnol: (flunitrazepam, commonly called the *date rape* drug) Drowsiness, impaired motor skills, and inability to recall events. Combined with alcohol or other drugs may lead to respiratory depression, aspiration, and death.

Stimulants: (amphetamines) Anxiety, agitation, malnutrition, irregular heartbeat, chronic sleeplessness, and amphetamine psychosis.

PARKING AND VEHICLE REGISTRATION

Each motor vehicle, including two-wheeled vehicles, driven or parked on campus by students, faculty, or staff must be registered with the Cashier's Office and must display a valid parking permit. Fees are established annually and appropriate notification is provided.

North Carolina Senate Bill 627 requires all students to submit proof of motor vehicle insurance prior to purchasing a parking permit. In order to comply with this legislation, students must provide the following: 1) Name of Insurance Company; 2) Policy Number of Insured; and 3) Certification that the insurance meets the minimum needs established by North Carolina: \$30,000 for bodily injury to one person, \$60,000 for bodily injury to two persons or more, \$25,000 for property damage.

All students, faculty, and staff members are subject to traffic rules and regulations. It is each individual's responsibility to obtain a copy of the Traffic Rules and Regulations when registering a vehicle. These regulations are strictly enforced by the campus police. Fines must be paid before any records will be released from the University. Conviction of a violation of the traffic laws while operating a vehicle on campus has the same effect on your driver's license as a conviction for the same offense on the public highways. The speed limit on campus is 20 mph and is enforced.

It is a privilege and not a right for a person to keep or operate a motor vehicle on campus. Each student, faculty, or staff member must agree to comply with the traffic rules and regulations before keeping or operating a vehicle at The University of North Carolina at Pembroke. The University reserves the right to withdraw motor vehicle privileges from any person at any time.

Parking facilities on campus are limited and on occasions there will not be sufficient parking spaces available to accommodate all vehicles in their respective legal parking zones. In such instances, the driver concerned IS NOT PERMITTED to park in an illegal or restricted zone.

All parking fines are due to be paid within fifteen (15) days of the issuance date, unless they are appealed within those fifteen days. If appealed, payment of assessments will not become due until notification of the Traffic Appeal Board to the person being assessed of its decision not to reverse the citation, at which time payment must be made within fifteen (15) days. Information regarding the Traffic Appeal Board is contained in the *Traffic Rules and Regulations Handbook*.

The Center for Leadership and Service is located within the Student Activities Office in University Center Room 220. The Leadership Library is housed within the Center for Leadership and Service and includes a number of leadership resources for both student organizations and individual students. The Director of Leadership and Community Service oversees the Leadership and Service Opportunities Program (LSOP). LSOP provides opportunities through educational workshops and programs, community service projects, and service-learning for students to recognize and develop their leadership potential. LSOP includes a recognition program in which students that complete a series of workshops and participate in service will be awarded at an annual Awards Brunch. Freshmen students are recognized as Horizon Leaders. Sophomores, juniors, and seniors are recognized as Distinguished Leaders. Seniors may also be recognized as Leadership Fellows. The Leadership Transcript is developed for Leadership Fellows to detail their participation in the LSOP. It includes information about LSOP workshop attendance, along with detailed information about each community and campus service project completed by a student. The transcript is designed to be an addition to the student's resume and academic transcript.

The Center for Leadership and Service is instrumental in facilitating service-learning development at UNCP. Service-learning is an experiential learning method of instruction. It integrates academic curriculum or personal development with service to meet a community need. Reflection is an integral component to service-learning.

STUDENT GOVERNMENT

Student Government Association

The purpose of the Student Government Association (SGA) is to represent and safeguard interests of the students. It is basically a political organization providing students with an avenue for actions in matters pertaining to student rights and welfare.

Although discipline is the legal responsibility of the administration and faculty, the principle of Student Government is fully supported by the administration and faculty. All students attending UNCP automatically become members of the Student Government Association. Student Government functions through its elected representatives and its sponsor, the Vice Chancellor for Student Affairs. Officers of the Student Government are elected by the student body each spring according to the constitution and bylaws of the organization.

Student Senate

The Legislative Branch of the Student Government Association, the Student Senate, functions as the policy-making body of the SGA. Also, the Senate recommends policies and regulations necessary and proper to promote the general welfare of the student body. The Senate is empowered to schedule the time and place of its meetings, provided that there are regular meetings at least once every two weeks. Composition of the Senate is one representative for every 150 students, based upon the previous September enrollment. The President of the Senate is the Vice President of the Student Government Association.

Campus Activities Board

The Campus Activities Board (CAB) is the student programming organization on campus and receives its funding through the Student Government Association. The CAB Chair is appointed by the SGA President. CAB works cooperatively with the Office of Student Activities to provide entertainment, activities and special events such as comedians, singers, bands, dances, movies, Homecoming Week Activities, Premiere Week and Spring Fling.

ATHLETICS

Intercollegiate Athletics

The University of North Carolina at Pembroke excels in athletics in both men's and women's competition. Recognition is achieved through competition in the Peach Belt Athletic Conference, and the National Collegiate Athletic Association (NCAA Division II). Seven men's sports and seven women's sports give UNC Pembroke recognition at the local, state, and national levels. Men's varsity sports are sponsored in baseball, basketball, cross country, golf, soccer, track, and wrestling while women's sports include basketball, softball, volleyball, cross country, track, tennis, and soccer.

The purposes of the intercollegiate athletic program at The University of North Carolina at Pembroke are to promote the roles of athletics in support of the stated mission of the University and to promote the education and development of students through participation in intercollegiate athletics. Such participation is seen as a direct contributor to "education as a lifelong experience," an experience which enhances and enriches the social and physical lives of students. The athletic program encourages broad student involvement and is committed to protecting and developing the physical and educational welfare of the student-athletes who participate as players as well as the students who participate as spectators.

Student-athletes are expected to strive toward becoming effective, contributing members of society, to be positive role models both on campus and in the university community, and to carry out their academic responsibilities as they follow a normal progression toward meeting requirements for a degree.

The Peach Belt Conference begins its fifteenth year as an all-sports conference this fall. In 1991, the conference held championships in men's and women's basketball, but now conducts championships in twelve sports. As a conference, the Peach Belt has been very successful at the national level with twenty-one National Championships. UNC Pembroke has been very competitive in the Peach Belt Conference. UNC Pembroke's history is steeped with a very rich tradition, while the University's programs have seen success at the conference level and have advanced to compete at the national level.

Athletic grants-in-aid, as established by the NCAA, are offered in all of UNCP's intercollegiate sports programs for both men and women upon recommendation of the head coach and approval of the Director of Athletics.

Intramurals

The Intramurals Program believes that leisure physical activity and enjoyment are vital to a person's total well-being. Based upon this belief, the intramural program provides a broad and diversified program of recreational sport activities for the University's students, faculty, and staff. The University of North Carolina at Pembroke student has opportunities for participation in over a dozen intramural activities, and if that is not sufficient recreational opportunity, there are also recreational swimming, weight lifting, and fitness activities.

Displays often include food items to be sampled, hence the name "A Taste of Culture." Entertainment typically includes Native American dancers, African American dancers, Latin American dancers, Japanese dancers, singers, etc.

Miss UNCP and Mr. and Miss Homecoming

The Miss University of North Carolina at Pembroke Scholarship Pageant is held on campus during each spring semester. It is a precursor to the Miss North Carolina Pageant, in which Miss UNCP competes annually.

Mr. and Miss Homecoming are selected each spring by popular vote and are crowned at halftime during the men's homecoming basketball game. Miss UNCP and Mr. and Miss Homecoming represent the University at various functions, including parades and local pageants.

CLUBS AND ORGANIZATIONS

The UNCP community encourages participation in a variety of campus clubs and organizations. Most departments have clubs for their majors. Other clubs encourage contact among diverse students, including the Native American Student Organization, the African American Student Organization, and the International Student Organization.

BUSINESS PROGRAMS

The School of Business offers the Bachelor of Science degree with a major in either Accounting or Business Administration. Business Administration majors must choose a track in economics, finance, information technology management, international business, management, or marketing. Students who want to have more than one track must successfully complete all requirements for each, plus at least 12 additional unduplicated hours for the second track. A minimum of 50% of the semester hours in the Business major must be taken at UNCP. The School of Business offers minors in Business Administration, Economics, and Marketing for non-Business majors only. Business majors cannot obtain a minor from the School of Business.

The basic core of business studies emphasizes the broad background needed for successful competition in the dynamic work-world as well as preparation for further study in graduate programs. Another objective is to render service beyond the University and within the surrounding business community. Through evening and online degree programs in management (see Evening and Distance Programs), the School of Business serves students who are unable to attend daytime classes. Further assistance is supplied in placement services and special consultation to the business community at large.

Prospective students are strongly urged to consult a member of the faculty as soon as possible. To follow the courses in the necessary order, it is best to begin planning early.

PROGRAM

The General Military Course (GMC) is an introductory level course dealing with mission, organization and function of the U.S. Air Force, and with development of air power into a prime element of national security. The GMC is developmental in nature and is designed to motivate and prepare cadets for entry into the Professional Officers Course (POC). The standard GMC is a two-year course in Aerospace Studies (ARS). The first year is designated ARS 111 and 112 and the second year ARS 211 and 212. The GMC totals approximately 120 clock hours consisting of a suggested 60 hours of academics and 60 hours of Leadership Laboratory.

The POC subject matter includes a study of the United States armed forces' role in contemporary society, and the role of the professional officer as a member of society along with theoretical and applied leadership management and communicative skills. The POC is designed to prepare cadets for active duty as Air Force Officers. It is a two-year course of instruction in Aerospace Studies (ARS) and is normally designated ARS 311 and 312 for juniors and ARS 411 and 412 for seniors. The POC totals approximately 240 clock hours, i.e., 120 hours per year consisting of 90 hours of academic and 30 hours of Leadership Laboratory.

Leadership laboratory provides cadets with practical command and staff leadership experiences through performing various tasks within the framework of the organized Cadet Corps. Leadership Laboratory accounts for 120 hours of the 360 hours normally allocated to Aerospace Studies.

Field Training is an off-campus training program held at selected Air Force bases during the summer. A six-week camp is conducted for all students entering the Air Force ROTC two-year program. All other cadets attend a four-week encampment. The Flight Instruction Program is an integral part of the Air Force ROTC program. The course is offered to a limited number of highly qualified ROTC cadets who are within 24 months of established commissioning date.

Under the two-year program selected students may be enrolled in the POC provided they have two full years of college remaining. If contemplating enrollment in this program, a student should do so prior to completion of the sophomore year, to enter Field Training during the summer preceding the Fall semester of his or her junior year.

Uniforms and textbooks for Air Force ROTC are provided by the Federal Government. All students enrolled in the final two years of Air Force ROTC are under contract and receive a subsistence allowance of \$250 per month for ARS 100 students that increases up to \$400 a month for ARS 400 students. A limited number of selected students enrolled in the Air Force ROTC program may qualify for scholarships. All scholarships pay the subsistence allowance, fees, tuition, and an annual textbook allowance.

During the four or six weeks of Field Training Program, all students receive pay and travel allowance.

Students may transfer credits received in other ROTC units established under the provisions of the National Defense Act. ROTC credits may be used as free electives. Prior to commissioning, a student must complete requirements for and receive a baccalaureate degree (or higher degree.) Each student must satisfactorily complete a course in mathematical reasoning prior to receipt of a commission; a list of these courses is available in the Aerospace Studies office.

Students enrolled in the program under a four-year AFROTC Scholarship must satisfactorily complete a 3-credit hour course in English composition prior to the end of the GMC tenure to maintain scholarship entitlement. GMC cadets receiving scholarships of less than four year duration will have two academic years from scholarship activation to complete the English composition requirement; English composition courses satisfying this requirement are listed in the Aerospace Studies office.

Significant emphasis is placed on preparing cadets for their first unit of assignment. Case studies, scenarios, and “What Now, Lieutenant?” exercises are used to prepare cadets to face complex ethical and practical demands of leading as commissioned officers in the United States Army. Spring. Three (3) lecture hours and three (3) laboratory hours per week. Credit, 3 semester hours. PREREQ: Completion of MSC 401.

MISSION

The mission of the School of Graduate Studies of The University of North Carolina at Pembroke is to provide quality master's level degree programs and opportunities for continuing professional and career development for students whose academic preparation and personal characteristics predict success in graduate studies. Each graduate program is firmly grounded in theoretical and empirical bodies of knowledge. Students are challenged to think critically and creatively, and to apply theory to practice in an atmosphere of inquiry and dynamic exchange with faculty and each other.

Faculty share the University's commitment to academic excellence in a balanced program of teaching, research, and service. They are committed to excellence in teaching, engaging in the generation of knowledge, serving their communities and professions, fostering the development of new roles and relationships within, among, and between their disciplines, and modeling the values of inquiry, continuous learning, creativity, and respect and appreciation for the rights and views of others.

The School of Graduate Studies is a nontraditional graduate school offering its classes and experiences to a population of predominantly adult learners. Most graduate classes are held during the evening hours, usually from 6:30 to 9:30 PM. Some classes for the M.B.A. and M.P.A. degrees are also offered during the day. In addition to its offerings on the main University's campus, the School of Graduate Studies offers selected classes and programs at satellite locations at Sandhills Community College in Pinehurst, NC, Richmond Community College in Hamlet, NC, and on Fort Bragg in Fayetteville, NC. The M.P.A. degree is also offered in an online format.

The School of Graduate Studies emphasizes depth of study, academic rigor, and reflection. The graduate programs seek to foster in students a desire for excellence, a sustained commitment to learning, an openness to change, a social consciousness, and a respect for human diversity. The programs also foster the development of students into leaders of their professions.

LOCATION

While graduate classes for the School of Graduate Studies may be offered at a variety of campus and non-campus locations, the location for all inquiries regarding graduate admissions, policies, and procedures is Room 253 of Lumbee Hall. The main telephone number for this office is (910)-521-6271. Additional information about graduate studies may be accessed through the school's web page: <http://www@uncp.edu/grad/>.

PROCEDURES AND POLICIES

Policies and procedures common to all graduate programs of The University of North Carolina at Pembroke appear in the following pages. Detailed information on each program, including requirements specific to individual programs, is contained in subsequent pages. Prospective students are urged to read this information carefully and to refer to this catalog throughout their enrollment at UNCP.

Graduate Admissions:

UNCP welcomes applications from qualified persons who have earned a baccalaureate degree from a regionally accredited college or university, and whose academic preparation and aptitude predict success in graduate studies. The Dean of the School of Graduate Studies and the director of the appropriate graduate degree program evaluate all applications that are submitted. No single consideration dictates decisions on applications; instead, numerous factors and their relationships to one another enter into such decisions. Qualifying for general admission to the School of Graduate Studies of the University does not guarantee admission to a specific program.

Any student who supplies false or misleading information or conceals pertinent facts in order to secure admission to UNCP may be denied admission or, if admitted, may be immediately dismissed from the University. Such a student may be ineligible to receive any credit from the School of Graduate Studies of the University.

Students may enter at the beginning of any semester or summer term. Application materials and all supporting documentation should be submitted to the School of Graduate Studies at least one month prior to the projected enrollment date. Applications packets may be requested from:

Categories of Admission:

The School of Graduate Studies of The University of North Carolina at Pembroke admits graduate students in one of the following categories:

- a) full admission,
- b) provisional admission,
- c) special admission,
- d) enrichment studies, and
- e) visiting graduate student

These terms are further defined below.

General Admission Requirements (Full or Provisional Admission)

All students seeking to enroll in any graduate class must be admitted to the School of Graduate Studies. To be considered for full or provisional admission to a degree program, an applicant must:

- a) submit a completed application to the School of Graduate Studies;
- b) pay a \$40.00 non-refundable application fee;
- c) submit two copies (one of which must be an official copy) of transcripts from all colleges/universities attended; one of these transcripts must indicate the date that the applicant's baccalaureate degree was awarded;
- d) have a satisfactory undergraduate academic record and meet at least one of the following minimum GPA (4.0 scale) requirements: an overall GPA of at least a 2.5 on all undergraduate work, or an overall GPA of at least a 3.0 in the undergraduate major, or a GPA of at least a 3.0 on all undergraduate work taken in the senior year;
- e) submit an official report of satisfactory scores on the Miller Analogies Test (MAT), the Graduate Record Examination (GRE), or the Graduate Management Admissions Test (GMAT) {required for M.B.A.}.
- f) have three letters of professional recommendation submitted on their behalf. At least one letter should be from a college/university faculty member in the undergraduate major of the applicant; at least one letter should be from the applicant's employer/supervisor;
- g) submit a copy of a current NC license if applying to the M.S.A., M.A.Ed., or an M.A. licensure program.

In some cases, additional information such as an essay or personal interview may be required.

General Admissions Requirements (Special Admission)

Students seeking admission into this category are frequently unable to submit all documents required for full or provisional admission prior to the beginning of a semester. Other applicants enter this category with the intent to transfer their graduate courses to another institution. All students seeking to enroll in this non-matriculated *special admission status* are cautioned that they have not been admitted into a degree granting program of an academic department. In most cases, students in this category should seek to convert their admission into full or provisional status as soon as possible. All degree-seeking students who have enrolled with *special admission status* will have their records sealed after one semester. Further enrollment is prohibited without a change of admissions status. To be considered for special admissions an applicant must:

- a) submit a completed application to the School of Graduate Studies;
- b) pay a \$40.00, non-refundable application fee; and
- c) submit an official transcript indicating that he/she received a baccalaureate degree from a regionally accredited institution of higher learning; and
- d) provide evidence of NC teacher licensure for all graduate licensure programs except the M.A.T.

General Admissions Requirements (Enrichment Studies)

Students seeking to enroll for Enrichment Studies must meet the same admissions requirements as those stated above for Special Admissions. Other restrictions regarding this category appear below.

General Admissions Requirements (Visiting Graduate Students)

The School of Graduate Studies welcomes visiting graduate students from other institutions. Such students are required to:

- a) submit an application to the School of Graduate Studies;
- b) pay the non-refundable application fee of \$40.00; and
- c) submit a letter-of-good-standing signed by the graduate dean (or an appropriate official) of their home graduate school.

Additional information regarding this admissions category appears below.

Education Programs: Licensure Requirement

Applicants for all graduate degrees in education leading to licensure by the NC Department of Public Instruction must submit a copy of any current licenses held. Applicants to the M.A. programs in Art Education, English Education, Mathematics Education, Music Education, Physical Education, Science Education, and Social Studies Education; to the M.A.Ed. programs in Elementary Education, Middle Grades Education, and Reading Education; and to the Master of School Administration program are expected to hold or be eligible to hold appropriate "A" level NC licensure. Those who do not meet the licensure requirement will not be eligible for a graduate licensure recommendation from The University of North Carolina at Pembroke.

Standardized Examinations:

- a) Miller Analogies Test: The Miller Analogies Test or MAT is accepted by the School of Graduate Studies for all graduate programs except the M.B.A. degree. This examination is offered on a regular basis by the Department of Counseling and Testing located in the Chavis Student Center on The University of North Carolina at Pembroke campus. To schedule a sitting for the MAT, applicants may telephone (910) 521-6202.
- b) Graduate Record Examination: The Graduate Record Examination (GRE) is offered by the Educational Testing Service (ETS) of Princeton, NJ. The web page address for ETS is: www.gre.org
- c) Graduate Management Admissions Test: The Graduate Management Admissions Test or GMAT is also offered by the ETS. The web page address for this test is: www.mba.com

Deadlines: Applicants are expected to submit the completed application and all supporting documentation at least one month prior to the projected enrollment date. A student whose application is not complete may be allowed to enroll (see special admission category) for a maximum of one semester with enrollment in that semester limited to six hours.

The Admissions Decision: The admissions decision is made by the Dean of the School of Graduate Studies upon recommendation from the appropriate director of a graduate degree program. This decision is based upon an analysis of both quantitative and qualitative data submitted by the applicant. These are defined as follows:

Quantitative Criteria: Quantitative criteria are those data with numerical values. These commonly include the applicant's scores on standardized tests (e.g., the Graduate Record Exam {GRE}, the Miller Analogies Test {MAT}, and the Graduate Management Admissions Test {GMAT}) and the applicant's grade point average (GPA). Consideration may be given to any additional numerical information that the prospective graduate student may wish to submit.

Qualitative Criteria: As a nontraditional School of Graduate Studies seeking to serve adult learners, the Graduate Dean and the program directors are open to receiving additional evidences of an applicant's educational endeavors and experience. While individual degree program admissions requirements may vary, the following documents are especially useful to the School of Graduate Studies:

- a) letters-of-recommendation from former professors, immediate supervisors of

- employment, and professional colleagues;
- b) biographical statements of past experiences and professional goals;
- c) narratives of personal professional goals (required for MPA and both Counseling degree programs) or a philosophy of education statement (required for Music and Social Studies Education);
- d) personal interviews (required for M.P.A.) or an audition (required for Music); *and*
- e) a professional résumé.

Enrollment For Additional Graduate Teacher Licensure: Students who possess graduate (G level or M level) licensure by the North Carolina Department of Public Instruction may enroll in some graduate programs to earn additional graduate licensure. Students who wish to exercise this option must apply to the Graduate School for admission to “Enrichment” status and to the Dean of the School of Education for an Individualized Education Program (IEP). The IEP specifies the course work, graduate or undergraduate, that must be completed and other requirements that must be fulfilled for a recommendation for additional graduate licensure to be forwarded to the Department of Public Instruction by UNCP. This enrolment status does not qualify one for an additional degree.

Students who hold a master’s degree in a counseling area (e.g., Community Counseling) and who wish to obtain licensure as a school counselor must apply for admission to the licensure-only program. Admission requirements are identical to those for the degree program; additional policies may be obtained from the Office of Graduate Studies.

Enrollment For Enrichment Purposes: Applicants who possess a baccalaureate degree from an accredited institution of higher learning, are not enrolled in degree programs at other institutions, and who wish to complete courses at UNCP for personal or professional enrichment may qualify for admission as special students (see general application procedures above). Students in this category cannot enroll for more than six (6) semester hours in a semester. Continuation of enrollment beyond one semester in this category requires the written approval of the Dean of the School of Graduate Studies. A maximum of six (6) semester hours (if appropriate and within the time limit) earned as a special student may later be applied toward degree requirements.

Enrollment as a Visiting Graduate Student: Visiting graduate students enrolled in the graduate schools of accredited institutions of higher learning are welcome at The University of North Carolina at Pembroke. Qualified visiting graduate students may study for one semester or summer at UNCP and transfer credits back to their home institutions. Visiting graduate students who wish to enroll for an additional semester, must secure the written approval of the Dean of the School of Graduate Studies. To gain admission as a visiting graduate student, an applicant must be in good standing at and eligible to return to the home institution. Visiting graduate students are required to submit a letter-of-good-standing from the Dean of Graduate Studies at their home institution prior to any registration for a graduate class. Visiting graduate students are required to complete an application for admission, but are not required to submit transcripts, letters of recommendation, or examination scores. The decision to admit visiting graduate students rests with the Dean of the School of Graduate Studies.

International Students: The School of Graduate Studies of The University of North Carolina welcomes applications from potential graduate students from other nations. Applicants from non-English-speaking nations must provide evidence of proficiency in the English language with their applications for admission to the University’s Graduate Programs. Scores on the Test of English as a Foreign Language (TOEFL) or the Michigan Test are required; no applications for admission are complete without such scores. I-20 forms will not be authorized without such scores. Each student also must submit official proof of financial support, an English translation of all transcripts, and an official transcript evaluation report from either World Education Services (<http://www.wes.org/>)

or International Education Services (<http://www.aacrao.org/credential/index.htm>). All documents must be submitted to the School of Graduate Studies at least six months prior to the projected date of enrollment.

Second Master's Degree: Students who possess a master's degree and wish to enroll at UNCP to earn a second master's degree must apply for admission to the selected program area and, upon acceptance, complete all program requirements for that degree including comprehensive examinations. A maximum of six semester hours of course work applied toward the first degree may be applied toward the second master's degree. The six hours must be approved by the appropriate program director and the Dean of the School of Graduate Studies. These hours are subject to the five year time limit (six for the counseling programs) applied to all course work credited toward the master's degree.

Undergraduate Enrollment For Graduate Courses: Provided they are otherwise qualified for admission to graduate study, seniors at UNCP who are within 9 semester hours of graduation may apply to the Dean of the School of Graduate Studies for permission to carry up to six semester hours of graduate course work while completing the baccalaureate degree. Credit earned in this manner may not be used to meet requirements for the baccalaureate degree and, at the same time, applied toward the master's degree. Seniors who qualify and wish to enroll in a graduate course for undergraduate credit may apply to the chairperson of their department and the Dean of the School of Graduate Studies. However, any graduate course approved for this purpose may not later be applied toward a master's degree.

Medical History Forms: All new students, and all re-enrolling students who have been out of The University of North Carolina for one year, who plan to take 4 or more credit hours during the semester are required to complete a medical history form which includes required immunization documentation before registering for classes. This requirement applies to all students who take any on-campus courses. This form may be obtained from and should be returned to Student Health Services. Students whose medical history forms are not on file by the specified deadline each semester are administratively withdrawn from the University.

MASTER'S DEGREE REQUIREMENTS

To receive a master's degree from The University of North Carolina at Pembroke students must complete the prescribed program of study and successfully pass the written comprehensive examinations (or the equivalent) and be approved by the Faculty Senate. It is the responsibility of the student to file an application for graduation with the UNCP Office of Graduate Studies by the deadline established by that office. Candidates for the master's degree are expected to be present at commencement exercises in the prescribed dress.

Programs of Study: The program of study prescribed for each graduate degree program is detailed below. Additional course work may be prescribed for individuals based on their undergraduate records. When such additional course work is prescribed, it becomes part of a student's prescribed program of study and must be completed for the degree to be awarded.

Academic Progress: Warning, Probation, and Dismissal: The academic progress of each graduate student is monitored on a regular basis by the Dean of the School of Graduate Studies, the student's advisor, and the appropriate program director. A minimum grade point average of 3.0 is required to receive a master's degree. Graduate students who earn a grade of "C" in a graduate course are placed on academic warning. Graduate students who earn a second grade of "C" are placed on academic probation. Graduate students who earn a third grade of "C" are dismissed from their degree programs. Graduate students earning two grades of "C" in the same semester are placed directly on academic probation. An accumulation of nine semester hours of "C" quality work, or a grade of "F," makes a graduate student ineligible to continue graduate studies at UNCP.

Level of Course Work: All course work applied toward the master's degree must be earned in courses designed for graduate students (numbered 500 and above). No 400-level course work may be applied to the master's degree. No more than three semester hours of graduate credit earned in workshop courses may be applied toward a master's degree.

Time Limits: All course work applied toward the master's degree must have been completed within five years (six years for the School Counseling and Service Agency Counseling Programs) of formal admission to the program. The time requirement is based upon the calendar. For example, if a student enrolls for a graduate course on 25 August (start of a Fall Semester) then this student is one year into his/her time limit at the start of the next Fall Semester.

Transfer Credit: A maximum of six hours of relevant graduate credit taken at another accredited institution with graduate level programs may be applied to degree requirements at the University with the approval of the appropriate program director and the Dean of the School of Graduate Studies. It is the responsibility of the student to apply for approval of transfer credit. No credit accepted for transfer may be earned by correspondence. The transfer credit is subject to the five year time limit (six years for the counseling programs) applied to all course work credited toward the master's degree. No transfer credit will be accepted toward degree requirements once the student has matriculated at UNCP unless prior approval for the credit has been received from the appropriate program director and the Dean of the School of Graduate Studies.

Comprehensive Examinations: In addition to the regular examinations in courses taken for graduate credit, candidates for some master's degrees must pass written or oral comprehensive examinations.

The comprehensive examinations are administered in the fall and spring semesters. Students in the School and Service Agency Counseling Programs must complete all core courses and pass the comprehensive examinations prior to enrolling in PCN 610 and PCN 611. Students in all other programs must have completed, or be enrolled in their final semester of, course work to be eligible to sit for the comprehensive examinations. Students must register for the comprehensive exams by the date established by the School of Graduate Studies.

A student who fails any part or parts of the comprehensive examinations must wait at least one semester before retaking the part or parts of the exam failed. Exams may be attempted a maximum of three times.

Information on the specific format of the comprehensive examinations for individual program areas is available from the program director for the individual graduate degrees.

Thesis: A thesis or research project may be completed as part of the program of study. Students completing a thesis are assigned a thesis advisor. The thesis project must be approved by the thesis advisor and a thesis committee. The thesis advisor will supervise the preparation of the prospectus of the thesis, approve it, submit it to the student's thesis committee for approval, direct the student in the preparation of the thesis, assemble and chair the committee for the oral examination of the student on the thesis, and submit the necessary paperwork to the School of Graduate Studies. The advisor notifies the Dean of the School of Graduate Studies as to the time and date of the graduate student's oral examination. The thesis must bear the signatures of the student's academic advisor, members of the thesis committee, and the Dean of the School of Graduate Studies. The final approval of a thesis rests with the Dean of the School of Graduate Studies.

The original and two copies of the approved thesis and abstract must be on file in the School of Graduate Studies at least two weeks prior to the end of the semester in which the student expects to complete program requirements. Two copies of the thesis must be bound and will be retained by the University. Binding is arranged by the library, and the student is charged at cost.

Lapsed Credit: In cases of documented merit and/or continuing professional experience within a given discipline, the Graduate Appeals Committee (GAC) of the Graduate Council may, at its discretion, entertain appeals cases for *reinstatement of graduate credits* earned more than five years ago at The University of North Carolina at Pembroke or another accredited institution of higher learning. This procedure is available for former graduate students seeking to return to graduate study. Such cases are evaluated and judged by the GAC on a merit basis. The GAC considers all cases on an individual, nonprecedent-setting basis. The GAC is authorized by the Graduate Council to consider reinstatement of a maximum of nine (9) semester hours of lapsed academic graduate credit from The University of North Carolina at Pembroke and six (6) semester hours of lapsed credit from another institution. No reinstatement appeal may go to the GAC unless the appeal bears the signatures of the graduate director of the student's graduate program, the chair of the appropriate academic department, and the Dean of the School of Graduate Studies. The GAC is the "due process" body for graduate students seeking to file reinstatement appeals, and its decisions are final. Graduate students seeking to file reinstatement appeals should schedule an appointment with the Dean of the School of Graduate Studies to discuss the appropriate details of filing such appeals.

Licensure: Students completing programs leading to graduate (M level) licensure by the State of North Carolina must apply for licensure to be granted. Applications are available in the Office of Graduate Studies and the Licensure Office in the School of Education. As part of the licensure approval process, two years of teaching experience in the licensure area is required before UNC Pembroke will recommend the individual for a North Carolina master's level license. Students adding new areas of licensure to their licenses are required to satisfactorily complete the prescribed Praxis Series Examinations. Recommendations for licensure cannot be forwarded to the Department of Public Instruction until official copies of satisfactory scores on the required specialty area exam are on file at UNCP.

ADDITIONAL POLICIES

Advisement: Each student admitted to full or provisional standing in the program is assigned an advisor in the graduate academic major. Members of the graduate faculty serve as graduate advisors. Initially, graduate students are expected to meet with their advisors to plan their programs of study. Thereafter, they are expected to periodically meet with their advisors for further advisement. Advisement sessions are scheduled each semester in conjunction with preregistration.

Grading: It is expected that students enrolled in graduate courses demonstrate breadth and depth of understanding significantly beyond the undergraduate level. While letter grades are used in the graduate program, they differ substantially in meaning from the undergraduate program.

A grade of "A" designates that the graduate student's performance has been superior, going above and beyond what is normally expected in a graduate class.

A grade of "B" designates that the graduate student's performance has been satisfactory and that the student has demonstrated the level of understanding normally expected in a graduate class.

A grade of "C" designates that the graduate student's performance has been poor and that the student has demonstrated significantly less understanding than what is normally expected in a graduate class. An accumulation of 3 grades of "C" makes the student ineligible to continue graduate studies at UNCP.

For grades of A, B, and C, faculty have the option of assigning a plus (+) or minus (-) in addition to the letter grade, but these do not affect the computation of the grade point average.

A grade of "F" designates failure of the course. A graduate student who receives an "F" is ineligible to continue graduate studies at the University.

The "I," or incomplete, grade is given when a student is unable to complete required work because

of an unavoidable circumstance such as illness. It is not to be given to enable a student to do additional work to improve a grade. Assigning the “I” grade is at the discretion of the individual instructor. It is the student’s responsibility to request the “I” grade. Generally, the student will have completed most of the work required for the course before the grade of “I” is requested. An incomplete must be removed within one semester (excluding summer term), or it will automatically be converted to a grade of “F” by the University Registrar. In determination of quality hours and quality point averages, an “I” is counted as an “F” until it is removed. An “I” grade does not fulfill prerequisite requirements.

A grade of “T” indicates grade pending and is issued only for thesis research courses until the sequence of courses is completed and for the year-long internship in school administration.

Repetition of Courses: No graduate course may be repeated within the same program of study without permission of the Graduate Appeals Committee. A graduate student wishing to repeat a course must submit a written request to the Graduate Appeals Committee through the Dean of the School of Graduate Studies. Courses approved for repetition must be taken at The University of North Carolina at Pembroke.

Withdrawal Policy: Cognizant of the fact that at times circumstances change and situations arise that necessitate a student’s withdrawal from a course, graduate students with good cause may apply to withdraw from a course up to two weeks prior to the last official meeting of the class. It is the student’s responsibility to obtain the signature of the course instructor on the withdrawal form. Once signed, the course instructor will forward the form to the Dean of the School of Graduate Studies. Students who do not officially withdraw from a course may not receive a grade of W. A grade of W may be received only once for a specified course, and no more than three Ws may be received in a student’s program of study. Withdrawing from a class does not excuse a student from the five year time limit (six years for the counseling programs) within which all program requirements must be completed.

Course Load: All courses, unless otherwise noted in the course description, are offered for three semester credit hours. Graduate students employed on a full-time basis may enroll for a maximum of six semester hours per semester. A graduate student may enroll for a maximum of nine semester hours during the summer sessions. A maximum of six semester hours may be completed in one session. Graduate Assistants are required to enroll on a full-time basis and are not subject to this rule.

Research Requirement: Several programs require that all degree-seeking graduate students complete the appropriate research requirement (EDN 566; PAD 505; or PSY 505 or 510) within their first twelve semester hours of graduate study. Students should consult their assigned advisor or program director for program-specific guidelines regarding this policy.

Orientation Requirement: All degree-seeking graduate students are required to attend an orientation session during their first semester of enrollment. The session is conducted by graduate faculty. Dates/times of the orientation session are announced prior to the beginning of the semester.

Due Process For Students: Any student whose entrance to, continuation in, or exit from the Graduate Program is denied by the Dean of the School of Graduate Studies acting upon policies established by the Graduate Council of The University of North Carolina at Pembroke has the right to appeal the denial. The Graduate Council has designated *The Graduate Appeals Committee* (GAC) as the “due process” body for all graduate students. The Dean of the School of Graduate Studies will notify the student of the denial and the policy upon which it is based. Within 10 working days of receipt of the denial the student wishing to appeal should submit a written request for appeal to the Dean of the School of Graduate Studies. The request should contain the reason(s) the student believes

the denial should be reversed. If a request for appeal is not received within the 10 working days, it will not be considered. The Graduate Appeals Committee meets in February, June, and October; any appeal will be considered at the next meeting of the GAC. The student will be advised of the date, time, and location of the meeting, and provided the opportunity to appear before the GAC if s/he desires to do so. The decision of the Graduate Appeals Committee will be final.

RESIDENCE STATUS FOR TUITION PURPOSES

It is a long-standing practice of the State to require students who are not residents of the State to pay a higher rate of tuition than that charged North Carolina residents. To qualify for in-state tuition, the applicant must generally have lived in North Carolina for a minimum period of twelve months immediately prior to his or her enrollment in an institution of higher learning. During this twelve-month period, the applicant's presence in the State must constitute legal residence in accordance with the University's guidelines as prescribed by the General Assembly. Copies of the applicable North Carolina law and of implementing regulations are available for inspection in the Sampson Livermore Library on the UNCP campus and may be examined upon request. The student requesting in-state residence is responsible for being familiar with the contents of these two documents. *Military Waiver forms are available for active duty U.S. military personnel and their dependents stationed in North Carolina. Teacher Waiver Request forms are available for full-time public school teachers living in the State and taking courses relevant to teacher licensure; the Teacher Waiver form negates the twelve-month waiting period for those teachers who otherwise qualify as residents of North Carolina.*

See the Student Finances for Undergraduate Programs section for more detailed information regarding residency status. Contact the office of Undergraduate Admissions for further information.

GRADUATE ASSISTANTSHIPS

The School of Graduate Studies offers a limited number of graduate assistantships to qualifying students. To qualify for an assistantship, a student must be admitted to full standing in one of the graduate programs. The student must be enrolled within the School of Graduate Studies on a full-time basis (i.e., a minimum of 9 semester hours per semester) and recommended by the Dean of the School of Graduate Studies. Graduate assistants may receive a waiver of in-state tuition charges for nine semester hours of graduate credit per semester. Graduate students do not receive a waiver from any fees charged by the University. Such fees must be paid at the time of registration. All graduate assistant are required to be employed for twenty (20) hours per week in order to receive the maximum stipend of \$3000.00 per semester. Graduate assistantships are not available during the summer months.

HISTORY OF THE UNIVERSITY OF NORTH CAROLINA

In North Carolina, all the public educational institutions that grant baccalaureate degrees are part of The University of North Carolina. The University of North Carolina at Pembroke is one of 16 constituent institutions of the multi-campus state university.

The University of North Carolina, chartered by the N.C. General Assembly in 1789, was the first public university in the United States to open its doors and the only one to graduate students in the eighteenth century. The first class was admitted in Chapel Hill in 1795. For the next 136 years, the only campus of The University of North Carolina was at Chapel Hill.

In 1877, the N.C. General Assembly began sponsoring additional institutions of higher education, diverse in origin and purpose. Five were historically Black institutions, and another was founded to educate American Indians. Several were created to prepare teachers for the public schools. Others had a technological emphasis. One is a training school for performing artists.

In 1931, the N.C. General Assembly redefined The University of North Carolina to include three state-supported institutions, the campus at Chapel Hill (now the University of North Carolina at Chapel Hill), North Carolina State College (now North Carolina State University at Raleigh), and Woman's College (now the University of North Carolina at Greensboro). The new multi-campus University operated with one board of trustees and one president. By 1969, three additional campuses had joined the University through legislative action: the University of North Carolina at Charlotte, the University of North Carolina at Asheville, and the University of North Carolina at Wilmington.

In 1971, the General Assembly passed legislation bringing into The University of North Carolina the state's ten remaining public senior institutions, each of which had until then been legally separate: Appalachian State University, East Carolina University, Elizabeth City State University, Fayetteville State University, North Carolina Agricultural and Technical State University, North Carolina Central University, the North Carolina School of the Arts, The University of North Carolina at Pembroke, Western Carolina University, and Winston-Salem State University. This action created the current 16-campus University. (In 1985, the North Carolina School of Science and Mathematics, a residential high school for gifted students, was declared an affiliated school of the University.) By subsequent act of the General Assembly, the name of the University was changed to The University of North Carolina at Pembroke, effective July 1, 1996.

The UNC Board of Governors is the policy-making body legally charged with "the general determination, control, supervision, management, and governance of all affairs of the constituent institutions." It elects the president, who administers the University. The 32 voting members of the Board of Governors are elected by the General Assembly for four-year terms. Former board chairmen and board members who are former governors of North Carolina may continue to serve for limited periods as non-voting members *emeriti*. The president of the UNC Association of Student Governments, or that student's designee, is also a non-voting member.

Each of the 16 constituent institutions is headed by a chancellor, who is chosen by the Board of Governors on the president's nomination and is responsible to the president. Each institution has a board of trustees, consisting of eight members elected by the Board of Governors, four appointed by the governor, and the president of the student body, who serves *ex-officio*. (The NC School of the Arts has two additional *ex-officio* members.) Each board of trustees holds extensive powers over academic and other operations of its institution on delegation from the Board of Governors.

FACULTY SENATE

JESSE PETERS, B.A., M.A., Ph.D. — Chair of the Faculty Senate
 HOLDEN HANSEN, B.A., M.F.A. — Secretary of the Faculty Senate

The Faculty Senate is the primary vehicle of faculty governance at UNC Pembroke. The Faculty Senate is an organization of faculty members who have been elected by the Faculty at large, or by the Faculty of one of five divisions: Arts, Education, Letters, Natural Science and Mathematics, and Social and Behavioral Sciences. The Senate is organized into three standing committees. These are the Faculty and Institutional Affairs Committee, the Student Affairs Committee, and the Academic Affairs Committee. Each committee also has subcommittees. Membership on the subcommittees is not limited to members of the Senate, but is open to all faculty members. The Faculty, through the Senate, is involved in the governance of the total University and is the principal academic policy-making body of the University.

In addition the recipient will serve as a liaison between his/her peers and the African-American Alumni Committee. Preference is given to the child of an African American Alumnus. The recipient will be provided a mentor by the African-American Alumni Committee in addition to the scholarship. The recipient must be in financial need. This scholarship is not renewable.

Alumni Loyalty Fund Endowed Scholarship

The UNCP Alumni Association through its Alumni Loyalty Fund awards scholarships to qualified incoming freshmen who are the children of UNCP alumni. The scholarships are based on academic ability, demonstrated leadership, and a personal interview. Preference is given to those who are in need of financial assistance.

The Robeson County Alumni Endowed Scholarship*

The donors strongly believe in the quality of education that The University of North Carolina at Pembroke provides its students. Therefore, members of the Robeson Alumni Chapter have joined together to create a scholarship that will provide financial assistance to a student in pursuit of a higher education degree.

This endowment is designed to assist a student from Robeson County whose immediate family member is an alumnus/a of The University of North Carolina at Pembroke. Immediate family member shall be defined as father, mother, grandparent, or a relative providing proof of legal guardianship. A minimum 2.5 QPA is required with the candidate enrolled as a full-time undergraduate student in the sophomore, junior, or senior year of study. There is no required field of study.

The award shall be provided on a yearly basis in two equal sums, half in the fall and half in the spring. The award is renewable if funds are available. The recipient shall be selected by the University Scholarship Selection Committee.

Triad Chapter of the UNCP Alumni Association Scholarship

The Triad Chapter of the UNCP Alumni Association established this scholarship in 2001 to assist a new generation of students in achieving an education in the supportive atmosphere each of them had during their time at UNCP. This non-endowed scholarship will be awarded half in the fall and half in the spring to students in any year of study, from any area of the country, and with any major field of study. Students must be full-time and maintain a minimum University standard QPA.

UNCP Alumni Soccer Endowed Scholarship

Recipient(s) may be currently enrolled or incoming soccer player(s). Award is based on athletic ability in the sport of soccer. Recipient(s) will be bound by the stipulations of the University athletic grant-in-aid agreement. The award is renewable on an annual basis.

GENERAL SCHOLARSHIPS

Elsmer Ray and Edith V. Barnes Endowed Scholarship

Mr. Elsmer Ray Barnes generously provides this scholarship in loving memory of his wife and for the purpose of assisting aspiring students who demonstrate outstanding leadership potential. Based upon high school involvement and academic record, this scholarship is renewable for four years of continuous study. In order to maintain the scholarship, the recipient must be a full-time student and have a 3.0 QPA.

BellSouth Telecommunications, Inc. Endowed Scholarship

The scholarship is awarded annually to students who demonstrate and maintain high academic standards. Students will be selected who also have documented a need for financial assistance.

Pattie L. Brayboy Endowed Memorial Scholarship*

This scholarship was established in memory of Pattie L. Brayboy, a graduate of UNC Pembroke, class of 1967. Mrs. Brayboy was an outstanding educator and guidance counselor. She was respected by her students and peers and was dedicated to the intellectual development of her students for 21 years. The scholarship is to be awarded annually to graduating seniors from Purnell Swett High School who will be entering UNC Pembroke. The students must have an overall B average in their senior year plus a strong recommendation from the guidance counselor and principal. The recipient shall demonstrate financial need.

Charles I and Betty F. Bridger Endowed Scholarship*

This scholarship was established to provide the opportunity to attend UNCP to an individual from Bladenboro and/or Bladen County. The donors believe that education is essential and has an everlasting impact on the future.

The recipient must meet University academic standards and be in financial need. First preference is given to a freshman. The award is then renewable.

Judge Dexter Brooks Scholarship*

This scholarship was established in honor of Judge Dexter Brooks to provide financial support for low-income individuals in Robeson County who are eligible to attend The University of North Carolina at Pembroke. Eligible recipients of this scholarship must maintain a minimum 2.5 QPA and be full-time students. Awards of up to full tuition and fees, to occur half in the fall semester and half in the spring semester, will be made to undergraduate students and are renewable.

Peter Brooks Endowed Memorial Scholarship*

The Peter Brooks Endowed Memorial Scholarship was established in 1993 by family and friends as a living memorial to Peter Brooks. Peter Brooks was known in the community as a protector of freedom, a servant of the people, and a proponent of education. He was genuinely concerned about the welfare of others and encouraged continuing education. His philosophies form the hallmark of

this scholarship, which is awarded to a part-time student who is working toward an advanced degree or alternate degree in a health-related area. The recipient must be an individual who lives or works in Robeson County and who demonstrates a spirit of community and civic responsibility. Awards are renewable.

Kathleen Price and Joseph M. Bryan Family Foundation Endowed Scholarship

Though the Bryan Family Foundation concluded their work in 2000, this endowed scholarship fund continues to provide support to disadvantaged students attending UNC Pembroke. The scholarship award is based on academic aptitude, as indicated by a sound scholastic record, and appropriately documented financial needs.

The Becky B. Bullard Endowed Scholarship*

The Donor wishes to establish an award which will assert her belief in the enduring value of education, and at the same time honor the memory of her late husband, Clifford Bullard, who shared her belief in the life-affirming usefulness and worth of a college education. This endowed scholarship is meant to encourage a young man or woman who has the desire to attain an education to make that goal a reality. The donor believes that education is a means of broadening one's horizons, not only in the pursuit of a career but also in the quest for a future that is open to the many possibilities that come with a good educational foundation.

Candidates for award of this scholarship shall be full-time undergraduate students entering their freshman year of study at the University of North Carolina at Pembroke or transfer students coming to UNCP to complete their course of study. The candidate must have graduated from a high school in Anson or Union counties in North Carolina and must meet UNCP admission standards. There is no preference of subject major, and the candidate does not have to be of demonstrated financial need.

The award is renewable to the candidate for four years of study at UNCP, or, if eligibility by virtue of a 2.5 average is not maintained, can be re-awarded to a student whose high-school career was in Anson or Union counties.

Sam Cernugel Endowed Memorial Scholarship*

The scholarship was established by family and friends to honor the memory of Sam Cernugel of Fairmont. Mr. Cernugel spent much time working to improve the quality of life in and around his home in Robeson County.

The recipient of the scholarship shall be a full time undergraduate in financial need who meets all academic requirement of the University. First priority will be given to a student who is a member, or the child of a member, of the First Baptist Church, South Main Street, Fairmont. Failing a qualified candidate, the recipient will be a resident of Robeson County. The award is renewable.

Converse, Inc. Endowed Scholarship*

Endowed by Converse, Incorporated, Lumberton, NC, this scholarship is awarded annually to Robeson County Residents who consistently maintain an average of 3.0 or above. Open to all races and academic majors, the scholarship may be renewed as long as recipients make satisfactory progress toward completion of their degrees. It is understood that preference will be given to qualified students who are sons or daughters of former Converse employees and that financial need will not necessarily be a factor in the selection process.

Corporate Scholars Endowed Scholarship*

Initially endowed by an anonymous donor and sponsored by numerous corporate donors, this scholarship is awarded annually to students from Columbus, Hoke, Cumberland, Robeson, Moore, Bladen, and Scotland Counties. Recipients must meet all academic qualifications of the University and be in financial need. The scholarship award is renewable provided satisfactory performance is maintained. The award is available for no more than five years of study for an individual recipient.

Crestline Homes, Inc. Endowed Scholarship*

Crestline Homes, Inc. has established this scholarship to benefit the children of its employees, allowing them to further their education. The recipients shall be full-time undergraduate students

maintaining at least minimum University standards of academic achievement. The award is available to students of any year of study and is renewable. The scholarship award provides funding toward tuition and fees plus an allowance for books.

Charles Gregory “C.G.” Cummings, Jr. Endowed Memorial Scholarship

The scholarship was established in 1993 in memory of Charles Gregory “C.G.” Cummings, Jr. by his family, Purnell Swett High students, faculty, and friends in his honor. “C.G.” was 16 years old and a junior at Purnell Swett High. He was respected and loved by students and faculty. “C.G.’s” warm personality, caring attitude, and his involvement in church, school and community programs made a lasting impression on students, family and his many friends in the community. The scholarship is also in memory of “C.G.’s” friend Ray Ransom.

The scholarship is open to any academic major, and awarded annually to a deserving student who demonstrates qualities of leadership, humanitarianism, and who has met academic requirements.
